**Abstract:**

*The magnetic field of celestial planets have their great action on all of humans kinds. Where, the novel functioning of the real characteristics of a person's life, could be affecting by the action of the magnetic formatting process on the foetus state of a human. The formatting is occurring when the performing action of the celestial planets' magnetic field onto the foetus's brain, during a certain state of the foetus magnetic formation, and marked the real zodiac of a person.*

*Where, accordingly, the magnetic action of the celestial planets during the birth day time of a person, is not entirely accounted as a real time of a person's zodiac.*

**Key words:** *celestial magnetic planets, foetus's brain, magnetic formatting process, marked the real zodiac, practical applications.*
