

Ram Lalla's Statements (Allah Ho Akbar) In Supreme Court In Person As Idol Of Lord Natraz The Creator B.B.B Or Tachyon Particle Who is Also Worshiped In Namaz And Its Photo depiction Is Ardhnareshwar Or Satyam Shivum Sundarum Is Must Via Quantum Entanglement Called Fundamental interaction among Fundamental Particles Or Smallest Idol Of Universe .

Dr V M Das

Das Nursing Home , Fatehgarh , India
University Of God

Abstract: *It is being believed that Muslims do not do idol worship . It is myth . Before origin of the universe all things were in form of tachyons particles which are made up of two basic building blocks – Yang and Yin or mind and mass part of reality (Not set of informations Code PcPs – Originator of all sets of informatins Code PcPs) . To understand concept of idol worship we have to understand Basic Building Blocks (B.B.B – Mind – CCP , Code PcPs or set of informations and CP and Mass -- Fig 1) . The Creator B.B.B or Almighty B.B.B has considered them as smallest idols. Hence He has made idol picture of male and female parallel to these B.B.Bs Fig 1 . The fundamental belief of all religions on which the base (Main Pillars) of all religions is stood are these two God particles and the fundamental worship is Idol worship of these two God particles . At the end of universe all sciences fundamentals (shapes , laws, and properties) would be no more but religious fundamental about God particles and their Idol worship would persist in form of “I” or “Satyam Shivum Sunderum ”*

Muslim do believe that Allaha means The Creator only . After researching 99 names of Allaha in the light of science and the paper published in Journal [2] , we found that the word Allaha means – Primary God, Secondary God , tertiary God , trinity , and Tawhid. in the light of science . His portrait Fig 20 represents Tachyon particle (One yang B.B.B and many Yins B.B.B) apart from Creation and Destruction of universe under control of Almighty B.B.B . The admiring of this Almighty B.B.B is Allaha ho Akbar . Worship of Tertiary God is also Idol worship as these are made up of smallest idol of the universe Fig 21. Hence All worships are Idol worship in this universe as all are made up of smallest idol called B.B.Bs , the true fundamental belief of all religions . This belief persists even after destruction of the universe in form of “I”

I. Introduction

1.1 Mind and Mass Realities [1]

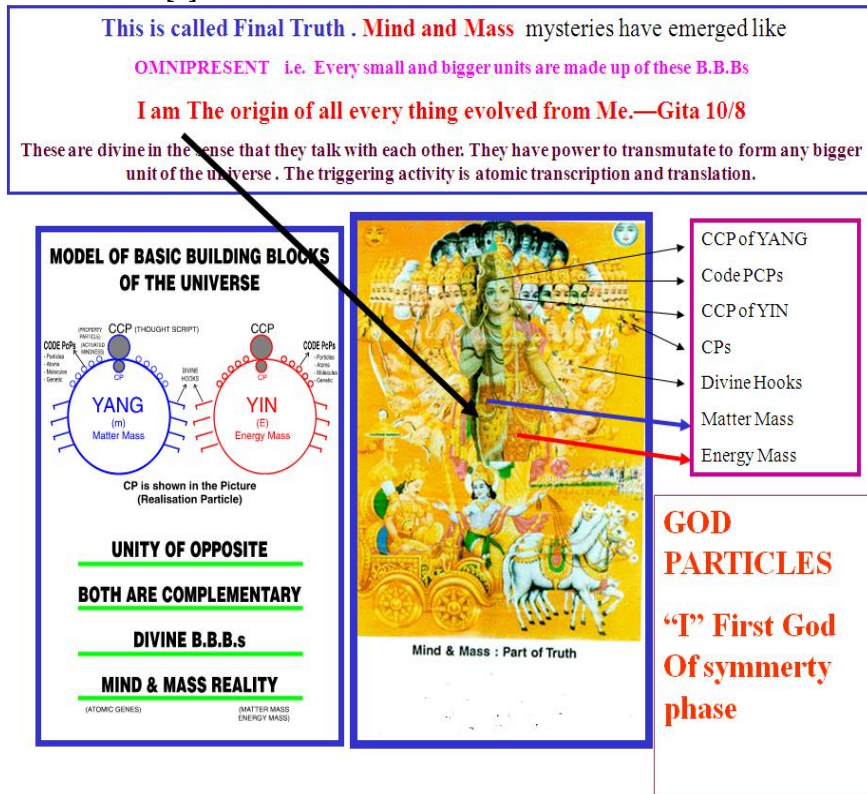

Fig. 1 Divine Mechanics Unit – CCP, CP and information s – Code PcPs with B-Bit – Mass

Atomic genetics is the branch of science where we investigate about fundamental interactions of the universe i.e. atomic transcription and translations . New words have been coined to understand hidden science of mind part of reality. Mind reality has been recognized as different faces by “I” about 5000 years back to Arjuna in Mahabharata.as shown in Fig 1. It is just like to understand any language through Alphabets. These are (different faces) Alphabets of mind reality. One Mind reality has one face identity and the second mind reality has second face identity and so on. The facial expression represents phenomenon of intelligence and different faces represent different types of properties carrying property. The open eyes means property is activated while close eye means property is inactivated. In spite of carrying properties conscious ness they also know how to conduct not only origin of universe but also how to create two different universe i.e. next creation could be different from this creation . In all, it is automatic system of the universe . The mind realities which are of good properties have devtas face identity (first five faces on both side) and those mind realities which are of bad properties have demons face identity (last four faces on both side) . These are named as code PCPs or messenger atomic genes . The central face is CCP or Thought script where all thoughts of the universe are banked . It is bank of data of all information s of the universe It is face identity of Anti mind particles as data of all information’s of the universe are stored as anti mind particles . It is the Time mind ness (biological clock) that keeps on expressing different thoughts from this thought script (CCP) . There are four more faces (black bodies) shown on extreme left and right floating in fire are CPs (translating Atomic genes) . That translates the messages and realizes it and reacts accordingly.[1]

Messages From Biological world to understand B.B.B world as shown in Fig 1.2 [1]

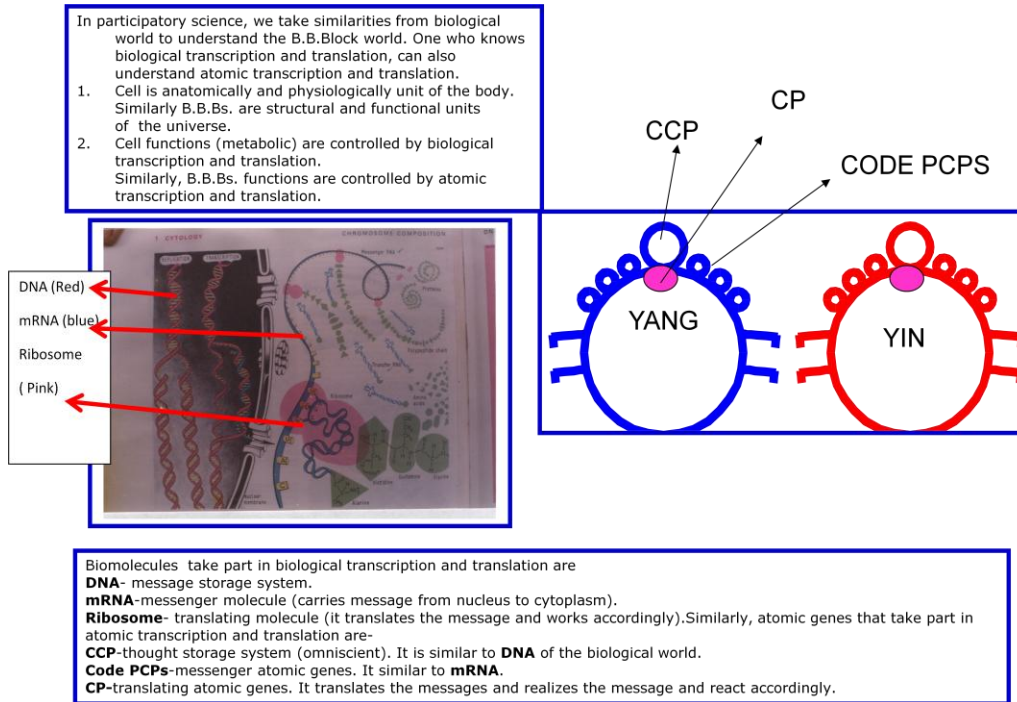

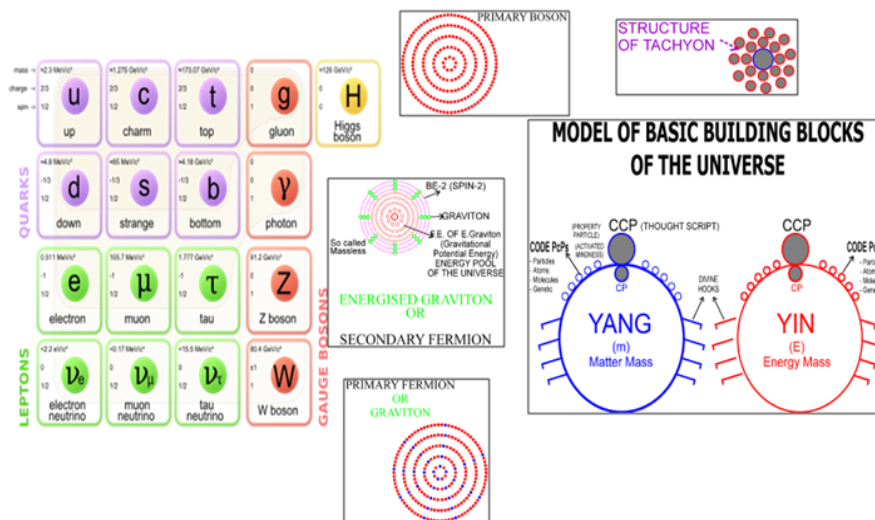

Fig 1.2 Parallel teaching by participatory science [1]

The standard model not only modified rather it has been completed [11] with introduction of energized gravitons , primary fermions, primary bosons , Basic Building Blocks , Mind and Tachyons as shown in Fig 1.3

Standard model completed with Fundamental particles and Mind And Tachyons

Fig. 1. 3 standard Model chart [11]

1.2 Lord Ram as Trinity and He is Allah Ho Akbar [2]

Know allah (tawhid and trinity) in the light of science *Dr. Das, V. M. Das Nursing Home, University Of God, Fatehgarh, India *Corresponding Author Received 10th April 2015; Published 31th May 2015

Abstract: It is the matter of great concern that All persons should be acquainted with First God Concept. And the concept is Every Thing Is Allah, Every Book Is Quran, Then All Worships Are Allah's Worship. Conditioned spirituality starts with Allah and ends with Allah of this creation

Keywords: Acquainted, Conditioned, Spirituality, creation

Q. What is Avatar (Trinity) Phenomenon?

A. In avatar phenomenon, message of Almighty B.B.B. Yang B.B.B working as highest center of universe – First God of symmetry breaking phase used to come to earth to either Yang B.B.B. or Yin B.B.B. via first transcription message system to exhibit. His few properties by unconditioned way of working and that B.B.B stars working by expressing that thought as wished by Almighty B.B.B. Yang B.B.B working as highest center of universe – First God of symmetry breaking phase

Can Kill Demons of infinite powers as Did Lord Ram (Allah) to kill Ravan etc.

1.1 Who is Lord Ram ? [3]

Who is Lord Ram? Whether King, Trinity or Hypothetical Legend of Some Story.

V M Das *Advanced Sciences, University Of God Das nursing Home , Fatehgarh, Farrukhabad , U.P. , India*
Corresponding Author: V M Das

Abstract: It is the Quran that will tell who is Lord Ram . Because **Only Allaha is worthy for worship** . If Dr Swami [6] proves that Lord Ram is Creator , then only his claim to do worship at that site is true . If he says Allah ho Akbar By knowledge not by force or ignorance to Idol of Lord Ram , then only his claim to worship would be true .

Fig 1 Mayavi Ravan (He has oscillation property – increase and decrease in size) being killed by Trinity Ram or “Allah Ho Akbar ”

1.2 How Trinity appears on Earth [3]

Fig 2 Phenomenon of Teleportation and UPS in the mind of Almighty B.B.B (Allahtala) in Universe "I"

Dirac equation is illusion as mathematics does not have thought of mind and thought of Creator . Self positioning system (SPS) in brain triggers to know our surrounding and our location . It is being used by animals and birds during migration or navigation on earth . Global positioning system (GPS - computer) helps us to know our location and different place and their route on Earth . GPS does not make us to be lost in big cities if we have loaded origin and destination in our computer . There is one more system called universe positioning system (UPS). Our journey did not start with fertilization of ova with sperm rather it had started since origin of the universe(Tachyon sea) and our brain could predict our past and future transformations before we transformed into human beings . UPS helps to locate home of Almighty B.B.B (Tachyons Sea) as prayer reaches to Almighty B.B.B . All religions do IDOL worship of Two God particles in different ways. Unless brain sees idol of two God particles during worship (Fig 11) or during namaz devotee sees home of Almighty B.B.B (Allahatala or Tachyon sea) and structure of Tachyons (One Yang and many Yins) (Fig 2) by brain , worship is incomplete Teleportation is the phenomenon made by Almighty B.B.B (Creator of universe and Aliens) . As He descends from invisible universe (Tachyon sea) to Earth . First , message comes (first order of universe) to Earth B.B.Bs via first transcription (quantum entanglement) and B.B.Bs of Earth transform in to any shape (Trinity – Human beings or Almighty B.B.B in flesh form) and Trinity does such deeds that they occupy place in church and temple as idol worship . For example Lord Jesus , Lord Krishna or Lord Ram etc **The theory predicts that when** Almighty B.B.B teleports Himself , He (Creator of universe and Aliens) could tell exactly where Aliens reside in universe "I" .

1.3 Idol of Lord Ram is Alive [4]

Life In Idol (In Statue) Is True (Pran Pratishtha) And It Is By Virtue of Sleeping And Arousal Property of Basic Building Blocks Which Is Property of Life (New Definition) . Death Is Illusion . Concept of Soul Is Myth. " Religion Is Lame Without Science And Science Is Blind Without Religion " Einstein

Dr. V M Das Das Nursing Home , Fatehgarh , India University Of God Corresponding Author: Dr. V M Das

Abstract: Universe is made up of God Particles or Basic Building Blocks (Fig -1) or mind and mass . To Understand life (new definition) we have to understand sleeping and arousal phenomenon in living animals , plants and seed , molecules , atoms , particles and in Tachyons which are made up off two God particles . We are set of informations (Code PcPs) and that too changing (fetus , infant , adolescence , adult , old age and finally death) . Death set of informations (code PcPs) are different than life set of informations (CodePcPs) . Life set of Informations could be recreated only by Almighty B.B.B . Hence death is illusion. In all stages of set of informations of particles , atoms, molecules have arousal state of mind (Eyes open) . Hence Idols are alive by virtue of arousal - sleep phenomenon property (property of life) of God particles (Mind and Mass) . Life effects are higher thought expressions of B.B.Bs . When these thought expressions are inhibited death thoughts are triggered , we observe death effects . (autolysis of cells and rigor mortis etc) . Hence concept of soul is myth. Hence Life means sleep and arousal phenomenon (new definition) . Hence statues are alive because they are in arousal state of mind . (Open eyes) till creation exists . After the creation is over, all stages of God particles would come in sleeping state in symmetry phase (close eyes -mind) but alive (new definition) . Universe "I" is always Alive (new definition) whether it is in sleeping state of mind or arousal state of mind.
Keywords: Basic Building Blocks , Mind and Mass , Atomic genetics , Atomic transcription and Translation , Tachyons , Religion "I"

Sleep and arousal phenomenon in Universe "I" .

Fig 3 Sleep and arousal phenomenon in Universe. State of God particles (Sleep – Arousal Cycle in one creation in different stages . Tachyons particles and particles , atoms and molecules) of universe "I"

Hence Idols never sleep as they are made up of particles, Atoms and molecules . Idols are set of informations (Code PcPs) and that too not changing or fixed . In us, death set of informations are different than life set of informations and our set of informations could be recreated only by Almighty B.B.B . Hence death is illusion in us . In Idols , single stage of set of information is there and particles , atoms, molecules have arousal state of mind (Eye open) . Hence Idols are alive even in statue stage by virtue of arousal - sleep property (property of life) of God particles (Mind and Mass) . (Fig 3)

1.4 Adam's Bridge mystery solved [5]

Adam's Bridge Formation (Floating of Stones) By Virtue of Prayer Done By Lord Ram Rather than Any Miracle Claimed By Hindu Believers . it Was Lawlessness That Triggered By Unconditioned Thought Expression By First order Of Universe (AGE By Quantum Entanglement)

Dr. V M Das Das Nursing Home , Fatehgarh , India University Of God Corresponding Author: Dr. V M Das

Abstract: It is being believed that by writing word Ram on stones could make stones floating , it is Myth . Floating of stones while making Adam's Bridge was a lawlessness triggered by unconditioned thought expressions by first order of universe leading to change in programming (Code PcPs floating) of gravity

interactions which was previously programmed for sinking (Code PcPs sinking) by M2 . It is the mind of M2 that orders sinking effect when energized gravitons from M1 come and interacts with interacting surfaces of atoms of stones of M2 . It is science of prayer (Atomic genetics engineering) that underpins floating of stones done by Lord Ram . The phenomenon ended with end of the period of stay of Lord Ram in Shri lanka i.e. the reversal of programming . With the result floating stones got sunk . There are many thoughts that design the sinking or floating effects . There is feedback to higher centers before next thought is triggered . During transmutation of phenomenon of sinking to floating or vice versa , sinking thoughts get suppressed , and floating thoughts get triggered and vice versa . It is Almighty B.B.B , The Creator B.B.B Who was designing the phenomenon by request of Lord Ram by quantum entanglement .

Strange floating stones of Rameshwaram computation

Some floating stones are found on the coastal regions of Rameshwaram. These stones are similar to any other stone and possess the same features, physical and chemical composition like the stone you may find in your locality. Seeing these stones from a far distance, you may feel that this stone is made of corals but on physical examination, it is found that this is not a coral stone...and neither is it a pumice stone! (Fig 4)

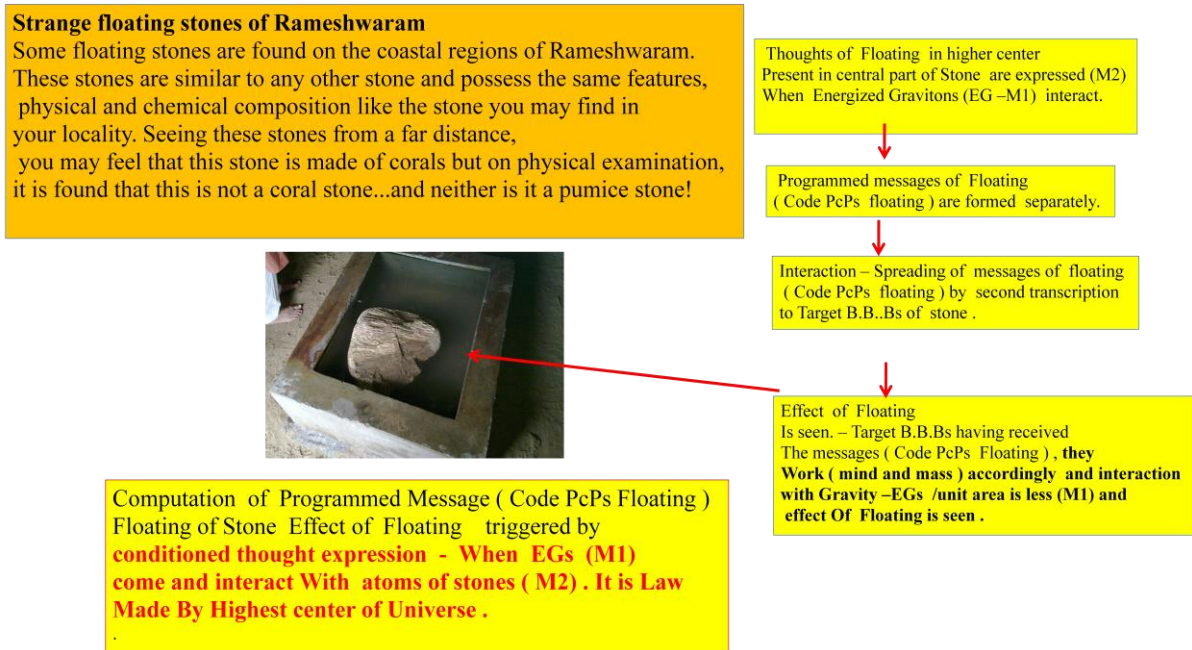

Fig 4 Strange floating stones of Rameshwaram

Normal sinking stone computation .

Why now Ram Setu is under water because Lawlessness and unconditioned thought expressions that led to floating on water worked only for few days and when work was over , the unconditioned triggering ended and normal triggering of programmed thought expressions (Code PcPs sink) of sinking get triggered .

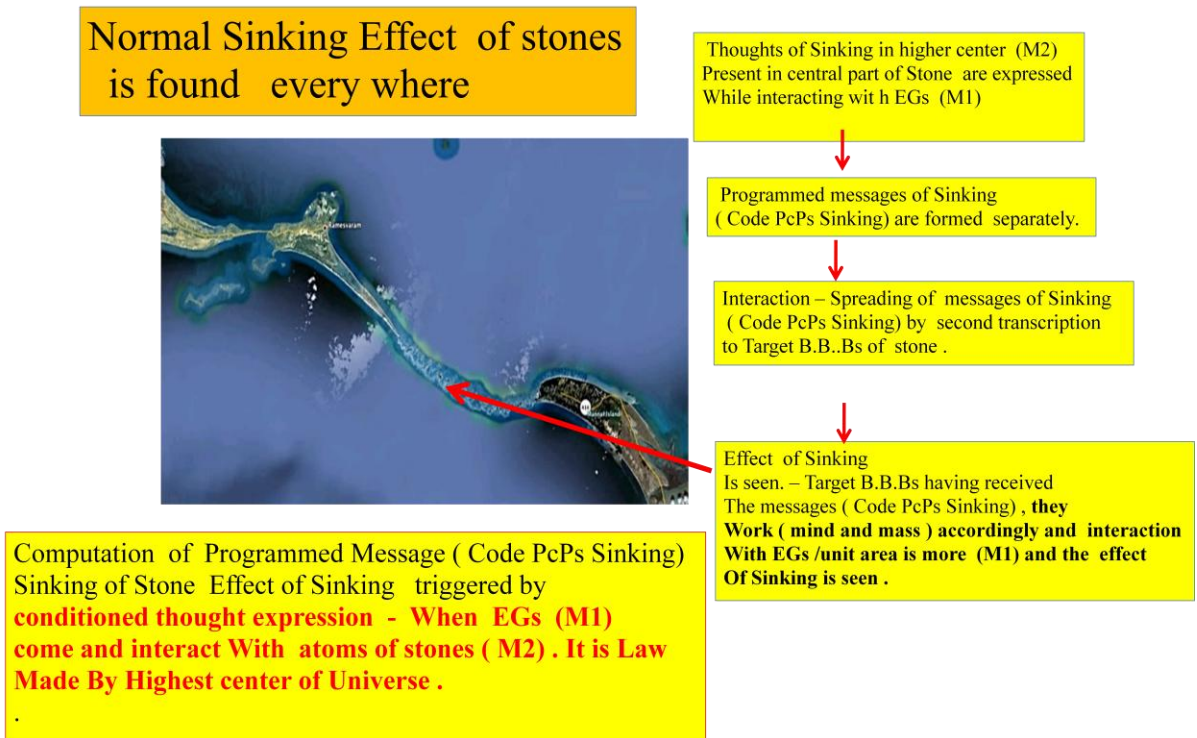

Fig 5- Normal sinking effect of normal stones found every were

How normal sinking programming transformed into floating programming and further it reversed into normal sinking programming .

Lord Ram did Prayer (Quantum entanglement) . The Prayer was accepted by Almighty B.B.B . At first sinking programming (Code PcPs Sink) was changed to floating programming (Code PcPs Floating) and later it was again shifted to sinking programming (Code PcPs sink) after few days . It is lawlessness and it is unconditioned Working of nature and it is done by First order of universe (Quantum Entanglement) It is called Atomic genetic Engineering) . (Fig 6)

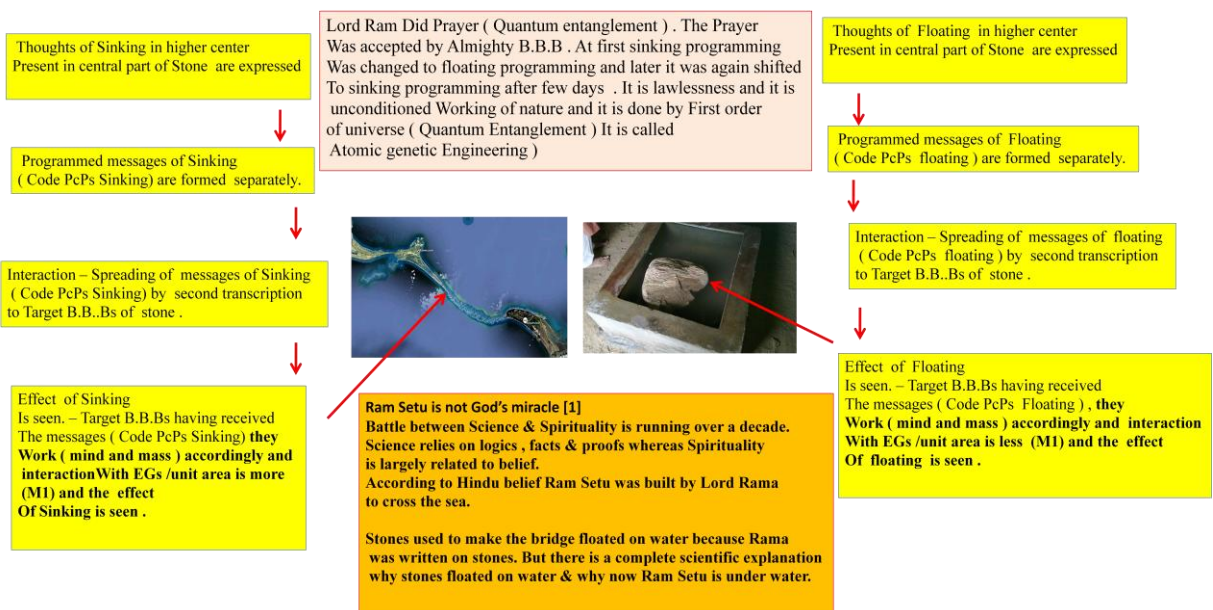

Fig 6 Ram Setu is not God's miracle . It is by virtue of Prayer Done by Lord Ram .

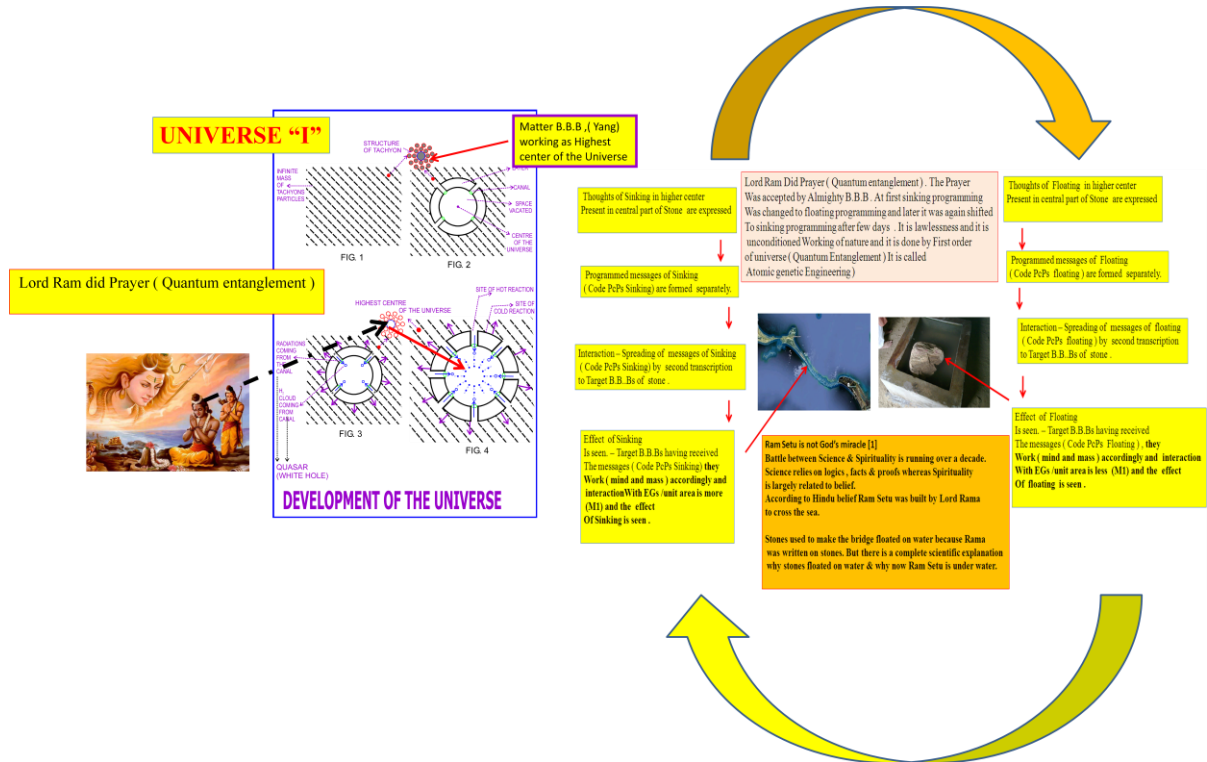

Fig 7 Lord Rama worshipping Almighty B.B.B before making Adam's bridge . There is shifting of Programming of Sinking to Floating and vice versa . It is lawlessness and unconditioned thought expression by order of Almighty B.B.B . (Quantum Entanglement)

1.5 Quran is Shiv Puran and vice versa (Fig 8) [3]

Shiv Puran means Ardhnreshwar or two god particles or Mass . Geta means Mind . Quran means both Mind and Mass or Allah .

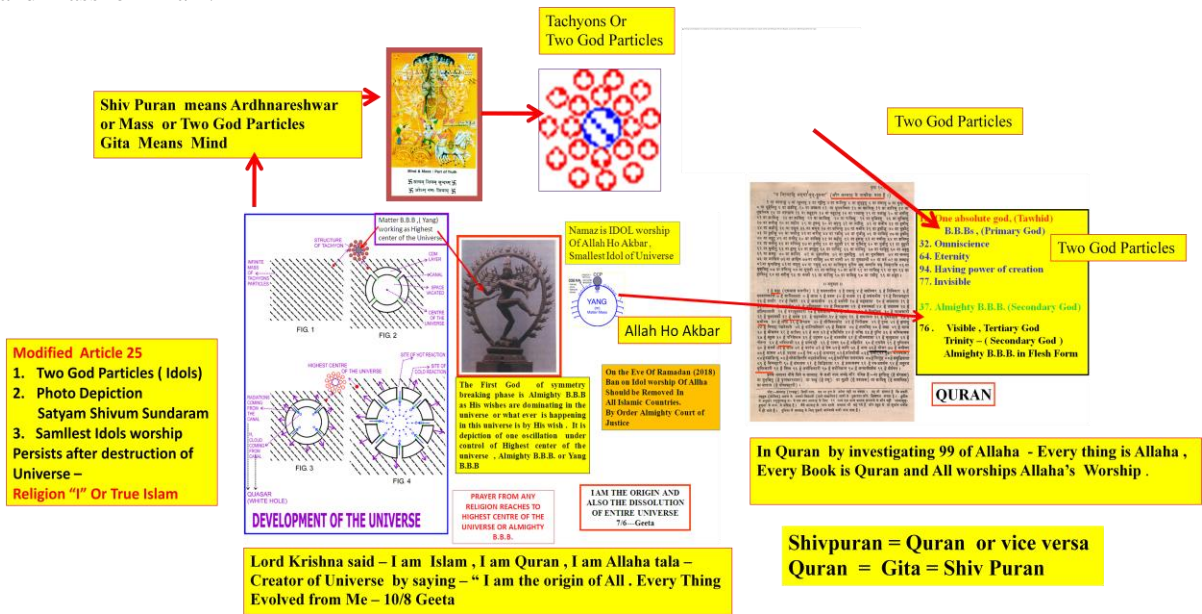

Fig 8 Quran is Shiv Puran and vice versa

1.6 Namaz is worship of Tachyon which are made up of Two God particles . Its reconstruction is Lord Natraz . Thus uplift on ban on idol worship in all Islamic countries is ordered by ACJ (Fig 9) [3]

Photo Depiction of Creator as Natraz - Allahatala - Secondary God - Almighty B.B.B - Smallest Idols of the Universe - Tachyon - One Yang B.B.B (Blue) and many Yins B.B.B (red or Flames or Photons) Prayer reaches to Almighty B.B.B . Namaz is Idol worship Tachyon particle OR Allah Ho Akbar . Reconstruction of Tachyon is Lord Natraz on Earth . Amicable solution starts with research that Namaz is Idol

worship of Tachyon particle whose reconstruction and photo depiction is Lord Natraj who is Allah Ho Akbar. If Indian Muslims respects Namaz as Idol worship then they have to put reconstruction in their Mosque and offer Namaz. Failing which would be considered insult and abuse to Almighty God or Allaha Ho Akbar. By order ACJ.

Fig 9 Namaz is worship of Tachyon particle made or smallest idol or Two god particles . Thus uplift on ban on idol worship in all Islamic countries is ordered by ACJ

SC does not know that Mosque is now essential part of Namaz as Lord Natraj is Allah Ho Akbar and His Idol would be put in All Mosques of world and Namaz would be offered before Lord Natraj as it is reconstruction of tachyon particle being worshipped by all Muslims. Hence 1994 case of Ismail Farrukhi where Mosque is not considered an essential part is to be modified now . By order ACJ

1. 7 Lord Ram is Avatar of Lord Natraz or Allaha ho Akbar at present He is in Tachyon Form [1]

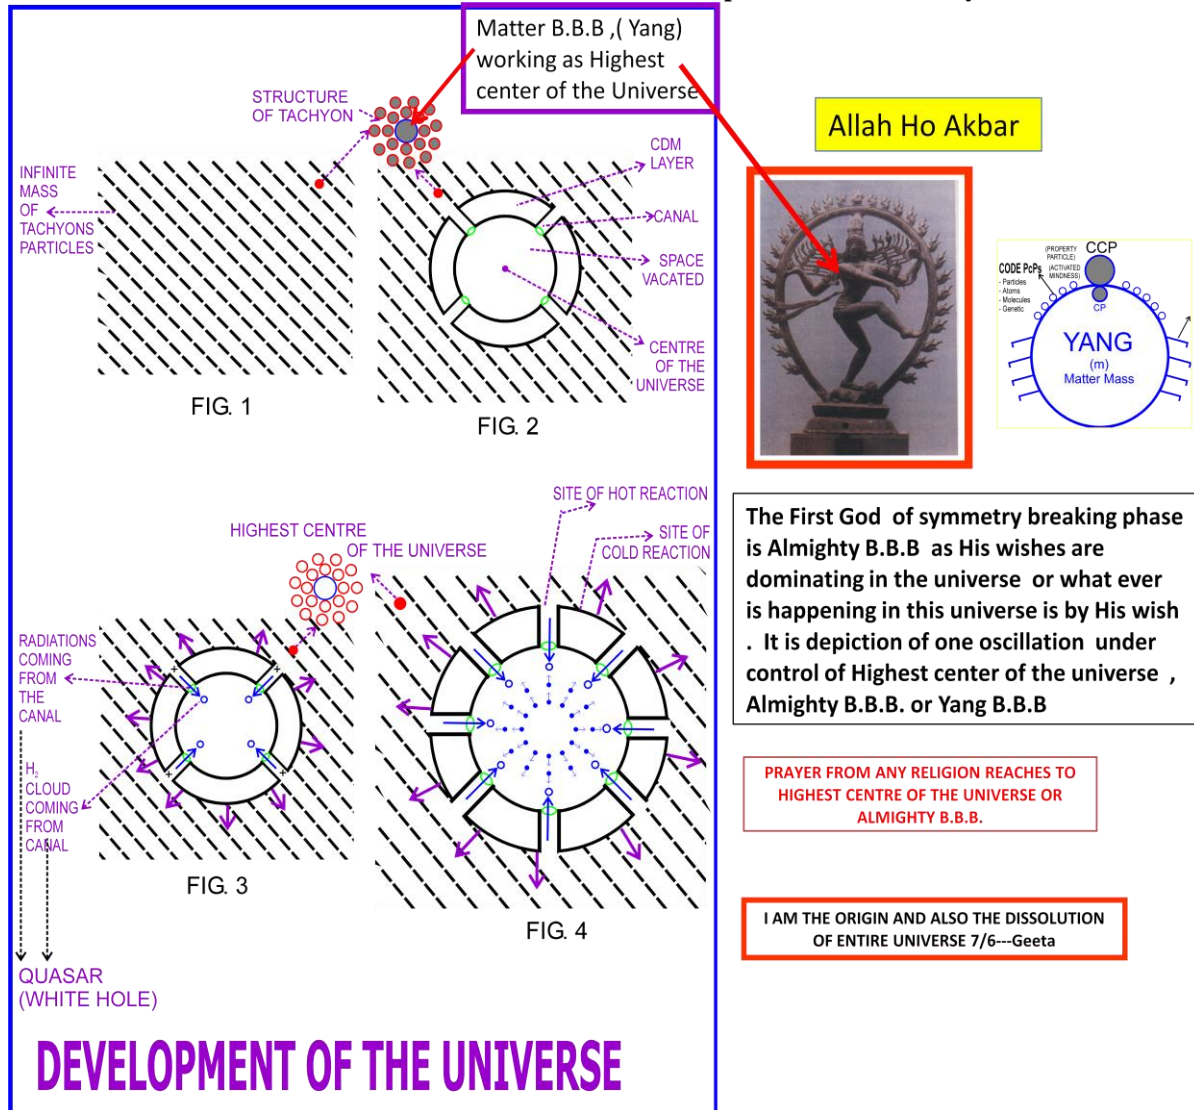

Fig 10 Lord Ram is Avatar of Lord Natraz or Allaha ho Akbar at present He is in Tachyon Form

1.8 What is Quantum Entanglement ? [1]

Message system of the Universe

Before the origin of the universe [1] nature had only one type of message systems which is called FIRST TRANSCRIPTION. Messages (Code PcPs) used to go from one B.B.B. to another B.B.B. by atomic transcription. Messages were carried by atomic genes (Code PcPs) with very very high velocity. It is the fundamental message system. Called Quantum Entanglement .

After the origin of the universe, nature created atoms. It also created one more message system called SECOND TRANSCRIPTION. Here the message (code PcPs) are carried by photons from one atom to another atom with velocity of light. Thus atoms ,molecules, cells, and even individuals talk with one another

After the formation of the cell , nature created one more system called THIRD TRANSCRIPTION .Here there is a message storage system formed by DNA. There are messenger molecules called mRNA that carry message from DNA script to cytoplasm where the message (code PCPs) is read or translated by ribosome and they work accordingly. Thus the messages reach to enzymes and hormones and finally messages reach to target units. Having received the messages, target units work accordingly. Finally life effects (metabolic) are observed.

These three types of message systems are working in the nature. These message system are being used by the nature according to nature's need. as shown in Fig 11

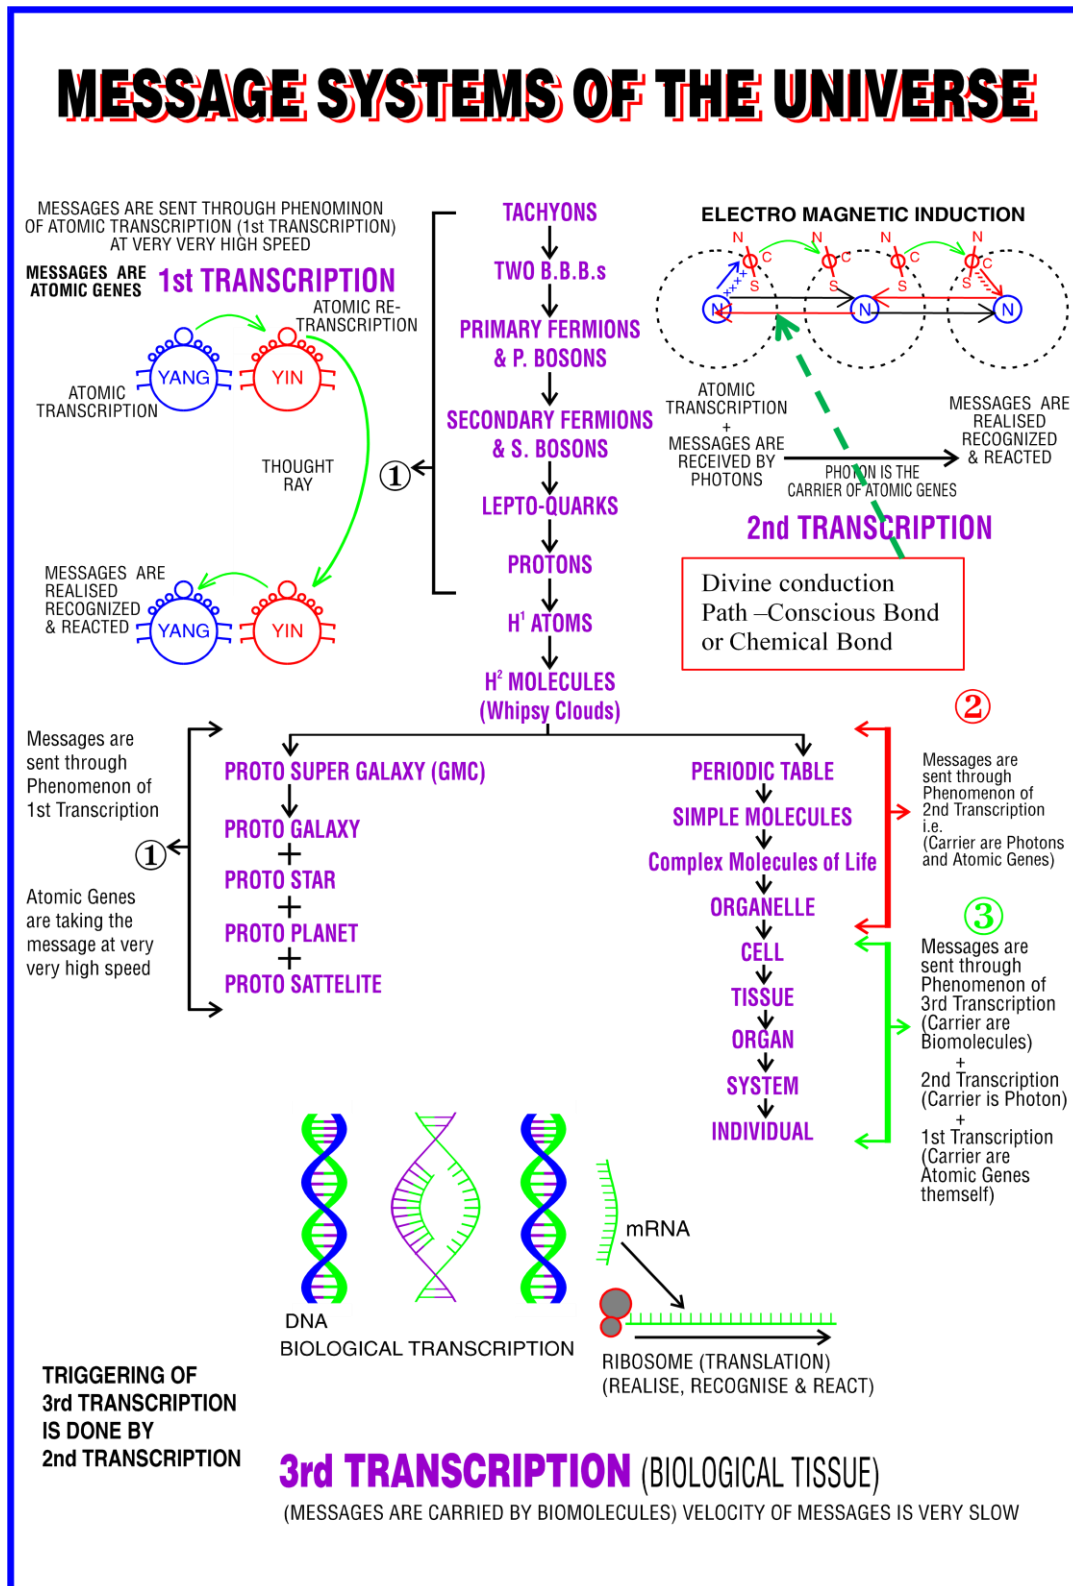

Fig. 11 Messages system of the universe

1.9 How does nature work & triggering of normal & abnormal effects [1]

To understand creation physics as shown in Fig 12 and Fig 13. . There are two types of thought stimulation [2] . One is **CONDITIONED THOUGHT STIMULATION** and other one is **UNCONDITIONED THOUGHT STIMULATION**.

STIMULATION OF THOUGHT EXPRESSION --- There are two types of thought expressions one is CONDITIONED STIMULATION of thought expression, and other one is self stimulation of thoughts i.e. UNCONDITIONED STIMULATION of thought expression .

At the time of the origin of the universe, all effects got created. The cause of all effects of the universe is THOUGHT expression. These thought expressions were triggered by UNCONDITIONED OR SELF STIMULATED WAY . It is the first step and it is followed by PROGRAMMING or formation of programmed messages by code PCPs. This programmed message moves from higher centers to target B.B.Bs. it is called INTERACTION. Having received the messages, the mind and mass of the target B.B.Bs. work in a synchronized way so as to produced the effects as thought by a the higher center. If the thought expression by higher center is normal, the shapes, properties and laws produced by target B.B.Bs. would be normal and if the thought expressions are abnormal, the shapes, properties and laws would be abnormal. This is the basic concept of transmutation phenomenon. Finally what we observe is called EFFECT. Appearance of new shapes. properties and laws is called TRANSMUTATION. The first three steps are collectively called CCP. During transmutation process if CCP is written, it does mean that unless the thought, programming and interaction take place, nature cannot transmutate. Transmutation phenomenon is seen in particles, atoms, molecules and even in cells. The basic steps of any transmutation remain the same except that the thought expressions differ.

The subatomic particle are made up of more fundamental particles called Basic Building Blocks (B.B.Bs) which are made up of mind and mass. These B.B.Bs are divine in nature with the result they talk with each other by phenomenon called atomic transcription and translation (thought expressions). The triggering of broken symmetry is caused by atomic transcriptions. Unless the atomic transcriptions occur, subatomic particles could never exhibit phenomenon of broken symmetry . So the broken symmetry is never spontaneous. It is being mis understood that sub atomic particles do have spontaneous activities as far as broken symmetry is concerned. Hence the Nobel prize physics 2008 awarded to this work is too early to give prize.

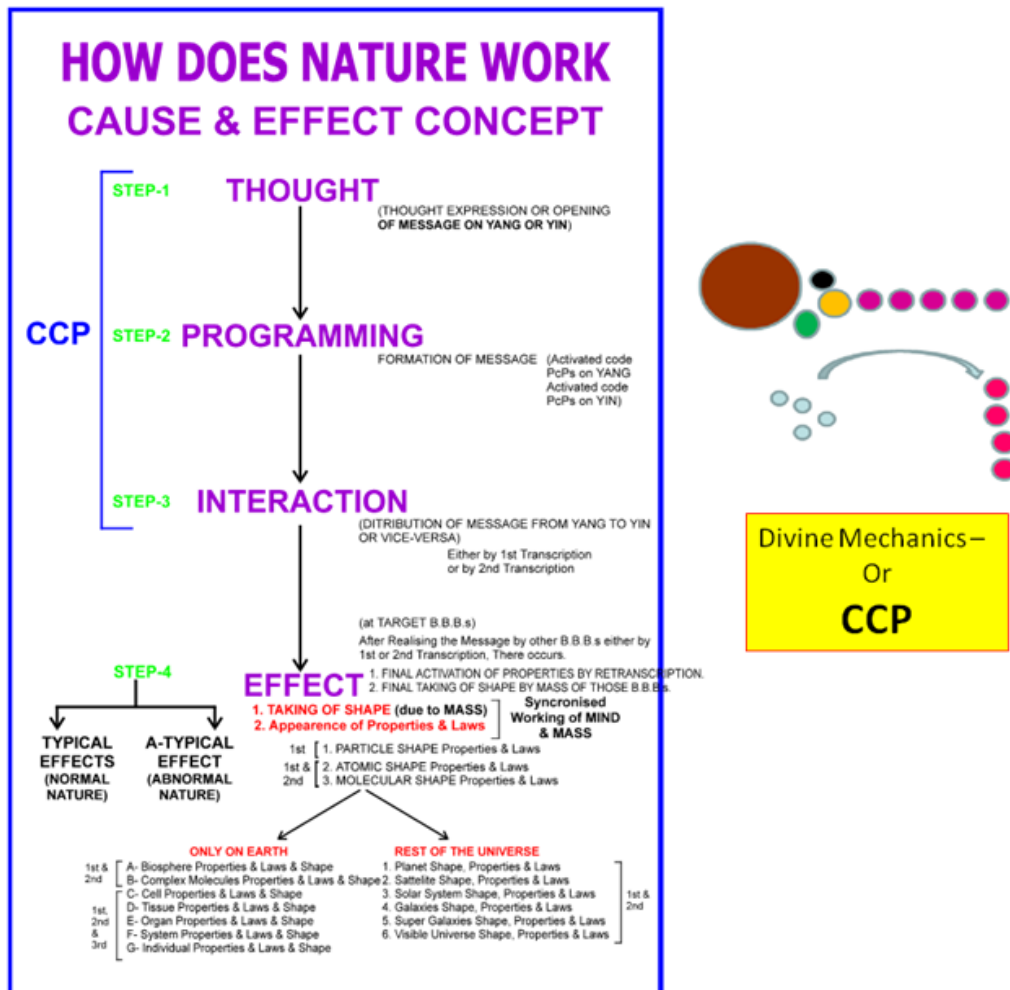

Fig. 12 Divine Mechanics – How Does Nature work ?

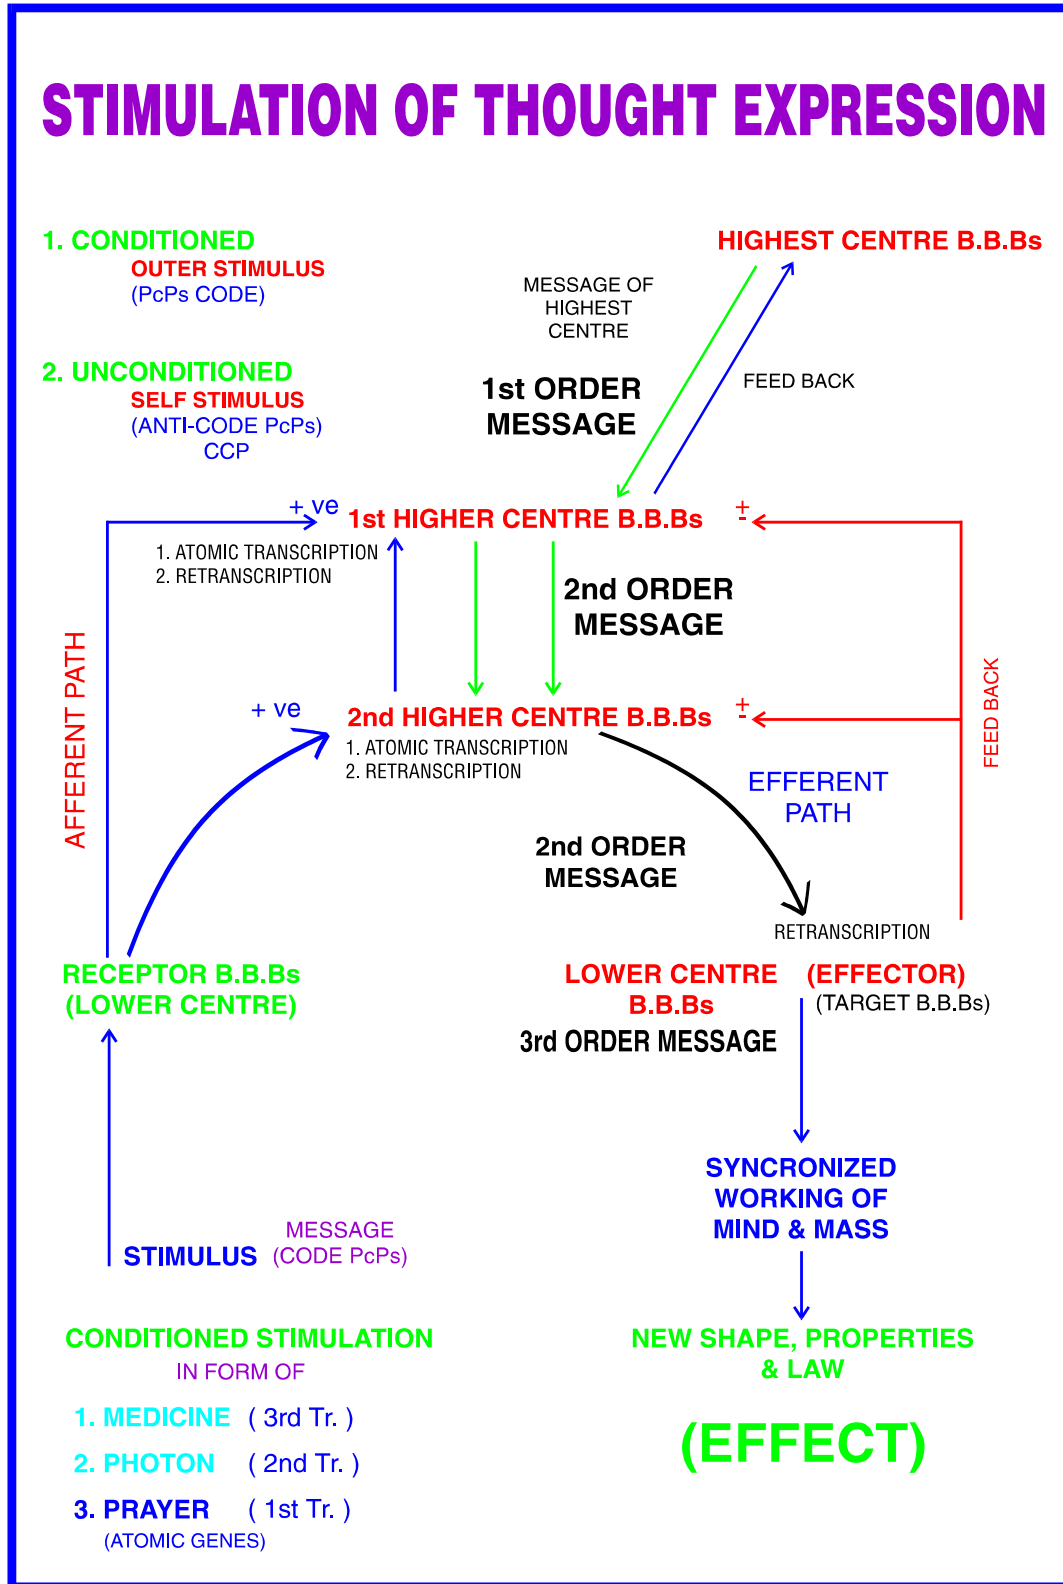

Fig. 13 Conditioned and Unconditioned thought expressions

1.10 Message network of the Universe (Feed Back Mechanism and different centers of the Universe)

With the origin of universe, nature first created primary units i.e. primary fermions (gravitation) and primary boson, these primary units are equipped with one higher center (one B.B.B.) and rest of the B.B.Bs. are working as lower centers or target B.B.Bs.[1] After primary units ,nature created secondary units i.e. secondary

fermions and secondary bosons. similarly nature created tertiary units (lepto-quarks) and then quaternary units (protons& neutrons).

Each unit is equipped with higher centers, lower centers and target B.B.Bs. After quaternary units nature created atomic units, molecular units, complex molecules of life units, organelle units, cell units, tissue units, organ units, system units and individual units. Each unit is equipped with higher centers, lower centers, and target B.B.Bs. Similarly nature created satellite units, planet units, solar system units, galaxy units, super galaxy units, dark matter layer unit. These units are also equipped with higher centers, lower centers and target B.B.Bs. Thus our universe is divided into different units and each unit is equipped with higher and lower centers.

All higher centers are under control of highest center of the universe by efferent paths. This efferent path is made up of first transcription. Higher centers can send messages to highest center of the universe by afferent path or feed back path. Thus highest center of the universe is well informed about all effects of the universe. Messages can come from lower centers to higher centers and from higher centers to highest center of the universe via afferent path. The highest center of the universe can send messages to higher centers and from higher center to lower centers. There is an inter unit message network also which is made up of first, second and third transcription depending upon the nature's need. Thus the entire universe is under control of highest center of the universe. Highest center can change any programming programmed by it during pre creation era as shown in Fig 14

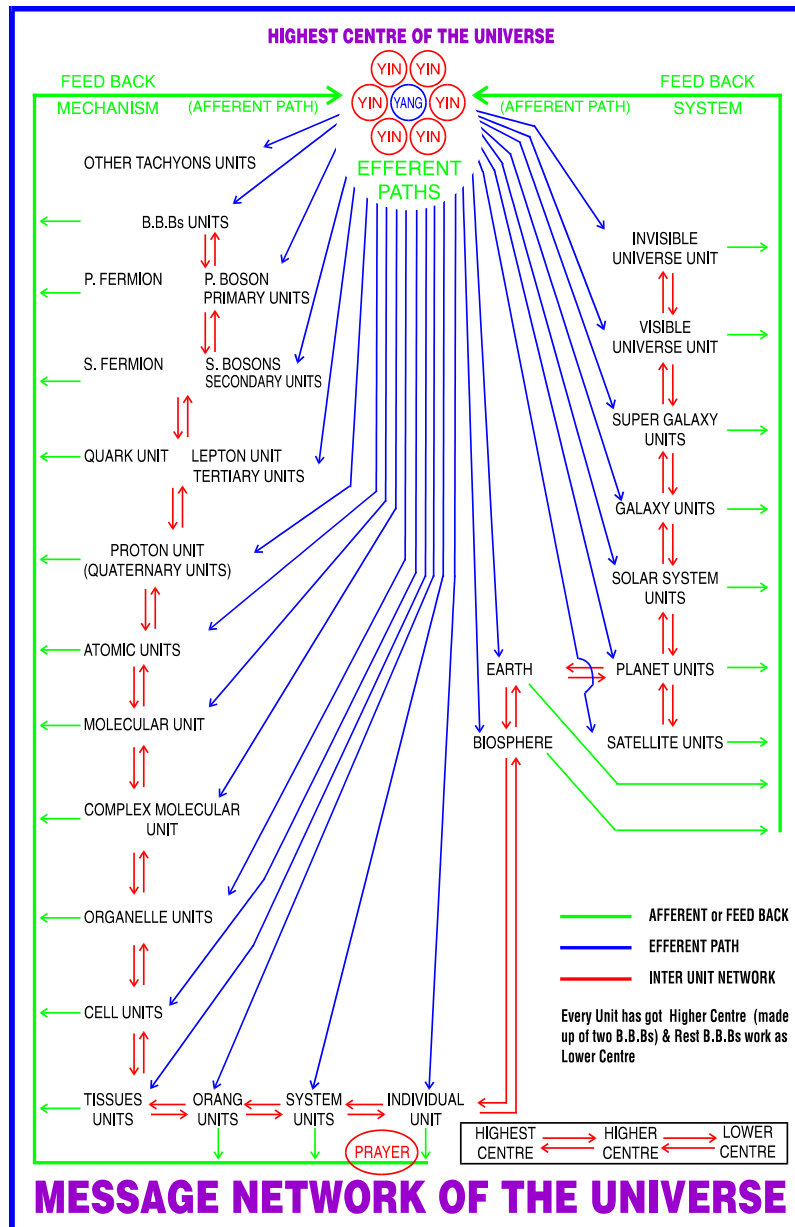

Fig. 14 Messages Net work of the Universe

1.11 Origin of the universe [6]

Hoyle – Narlikar Universe

ORIGIN OF THE UNIVERSE
CONTINUOUS CREATION THEORY----

HOYLE AND NARLIKAR THINK THAT NEW MATTER IS BEING CREATED DUE TO 'IMPLOSION' TO BALANCE THE EXPANSION OF THE UNIVERSE, WHICH ASTRONOMERS HAVE OBSERVED. INSIDE 'QUASI STARS' GRAVITATIONAL COLLAPSES MAY FORM SOME MATTER IN THE UNIVERSE. THE HUGE LUMINOSITY AND THE RADIOEMISSION FROM THESE QUASI -STARS APPEAR TO BE ,GRAVITY POWERED' UNLIKE ORDINARY STARS WHICH DERIVE THEIR ENERGY FROM NUCLEAR REACTIONS

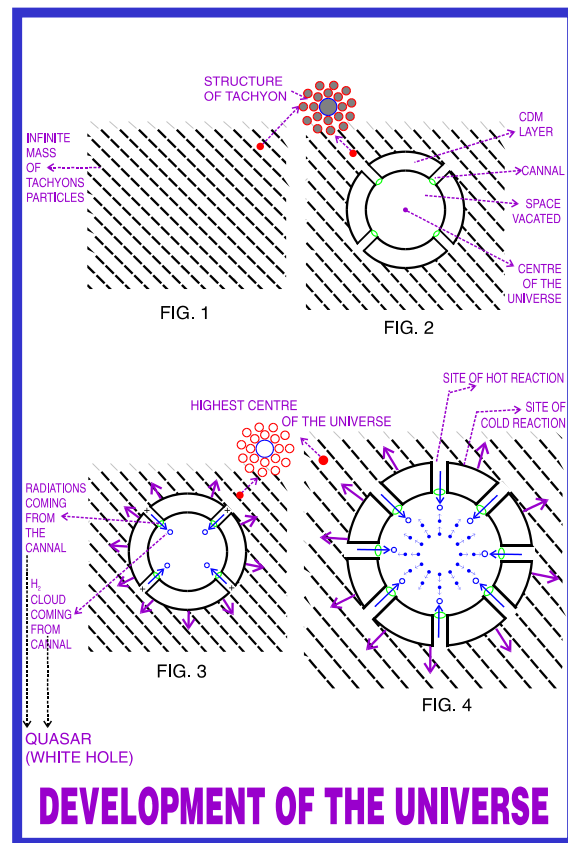

Fig. 15 Development of the Universe

Before the origin of the universe, these Basic Building Blocks (B.B.Bs) as shown in **Fig-3** were in the form of tachyons as shown in **Fig- 15** [6]. It means that at that time the tachyons were everywhere in the universe. Let us look at the structure of tachyons; it is made up of one matter B.B.B. (YANG) and many energy (YINs) B.B.Bs. Initially out of the infinite tachyons, one became the **highest center** of the universe. Messages used to go from highest center to rest of the universe and messages could come from rest of the universe to highest center of the universe by atomic transcription. Thus highest center had fed its thought to rest of the B.B.Bs. that would take part in creation - that they would express only those thoughts to give desired effect as wished by the highest center of the universe. So all B.B.Bs were informed about their role before creation of the universe. In pre-creation era programming of the future universe was done by highest center of the universe. Our universe is oscillating and it is a divine universe. It means that it has a creation phase and a destruction phase. During creation phase tachyons break into their B.B.Bs. and from these B.B.Bs, formation of fermions and bosons take place as shown in **Fig 15.1**. After the creation phase, destruction would start and in this phase all created particles would again break into their B.B.Bs and finally tachyons would form. At the time of origin of the universe, all the effects got created. These effects are taking of different shapes and appearance of properties and laws. All these effects are studied in various branches of science.

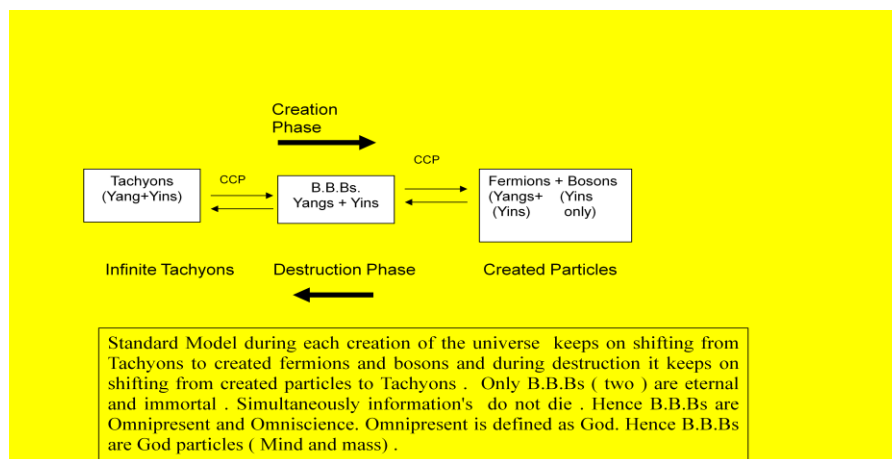

Fig .15.1 one creation and destruction cycle [7]

With the origin of the universe, nature first created a sphere of **COLD DARK MATTER (C.D.M)** and canals in it. With the result space got created. At the other end of the canals, hot reaction started (**the relics are back ground radiations 2.7 degree K of our hydrogen clouds**). As a result hydrogen clouds and lot of radiations were created. The empty canals were filled by these hydrogen clouds and radiations and thus **QUASARS** appeared in the universe. Simultaneously C.D.M. layer started expanding and clouds and radiations kept on coming in this closed universe as shown in **Fig 15** . With the passage of time more and more C.D.M. layer formed, more and more quasars formed. The hydrogen cloud came in this closed universe. They started running towards C.D.M. layer as they were attracted by the gravity of C.D.M. layer. Those clouds, which were nearer, moved faster than those, which were away from CDM Layer. The **HUBBLE LAW**, can thus be explained. With some more passage of time, clouds were joined to form **GMC** (giant molecular clouds). Later by self-gravitation different proto stars, proto planets, proto satellites were formed. Finally stars became bright and thus bright galaxies appeared in this universe. Our universe is still in expansion phase and creation is still going inside quasars. It is to be remembered that highest center of the universe does not come in the visible universe. It keeps on receiving the messages by atomic transcription and it has power to change any programming programmed by it during pre-creation era.

It is the atomic genes which constitutes mind part of reality. Mind incorporation in physics is awaited as theory of every thing is not yet investigated . I have investigated theory of every thing (ToE) and I found that while studying unified theory at the time of origin of the universe by Hoyle Narlikar universe , it was mind reality that triggered symmetry breaking phase . It is mind reality that triggers oscillation phenomenon of the universe. It is the mind reality which is behind perfect cosmological principle . There is nothing like artificial intelligence in the universe . These mind particles constitute intelligence of the universe that controls the deterministic order of the universe. It is the mind reality behind all effects of the universe. But this is not our mind rather it is mind of Almighty B.B.B (Yang B.B.B or matter B.B.B. or Male B.B.B working as Highest center of the universe) . His mind could be manipulated by prayer only . as shown in figure 15.2.

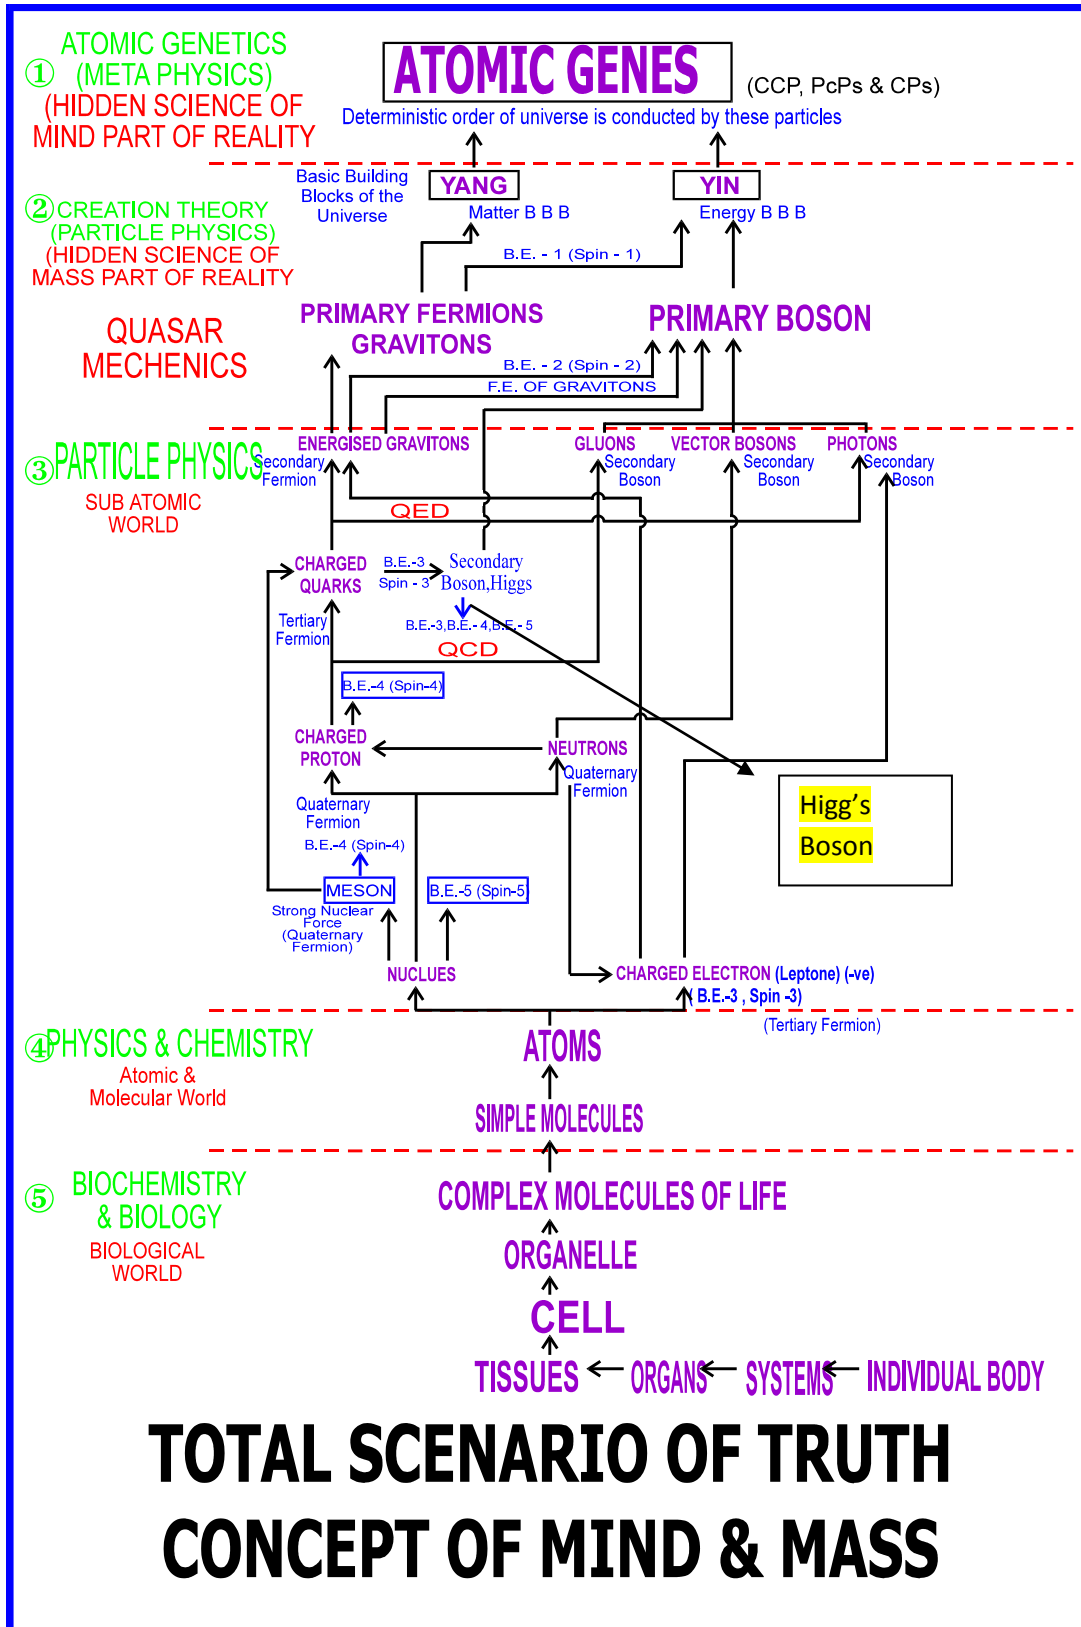

Fig 15.2 Total scenario of Truth Mind and Mass

1.12 Prayer message formation in brain. [1]

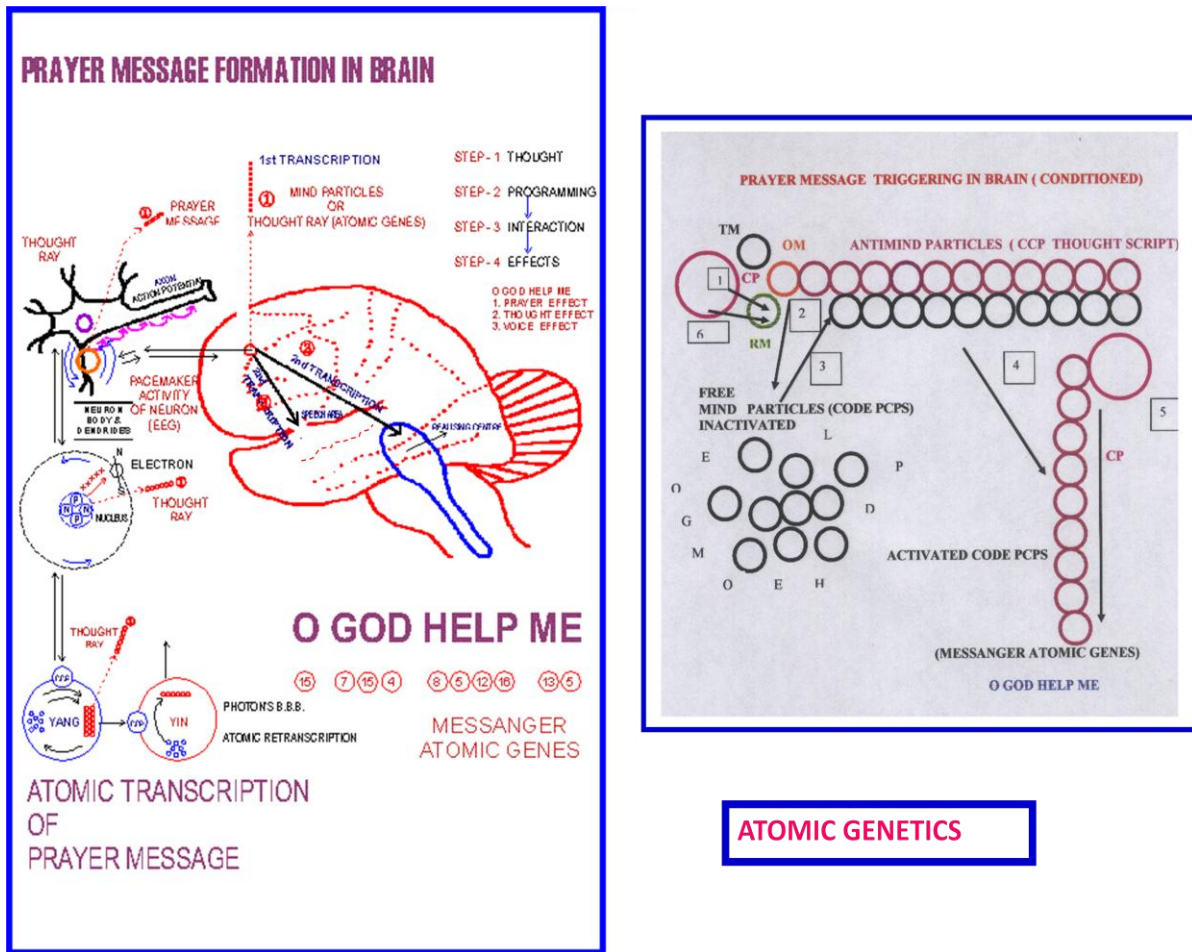

Fig 16 Divine Mechanics - Prayer message formation in brain

In atomic transcription and translation of prayer [8], following steps take place on Yang B.B.B – B-Bit as shown in Figure 16.

- 1.CP removes RM (repressor mindness-green) from OM (operating mindness -orange) thus induction of atomic transcription triggers.
- 2.OM triggers activation of free mind particles (black -inactivated code PCPs) of that thought script (magenta) of “o god help me ”.
- 3.Free mind particles (black -inactivated code PCPs) get attached to anti mind particles script (magenta one) to form messenger thought script of “o god help me ”.
- 4.Messenger atomic genes (black) get activated by anti mind particles thought script and further they get detached from anti mind particles thought script to form activated messenger atomic genes (activated code PCPs) (magenta) of “ o god help me ”
- 5.CP carries phenomenon of splicing by translating the messenger activated atomic genes (activated code PcPs) and finally there is activated message of “ o god help me” is formed .
- 6.CP represses atomic transcription by adding RM (green) to OM (orange) . Thus atomic transcription gets halt.

Having formed the message it comes out in three forms .

In atomic genetic engineering (prayer) we use our basic power i.e. power of B.B.Bs. Our B.B.B. (higher center) talks with highest center of the universe by sending the message by first transcription. Till today nobody knows how does the brain generate thoughts. I am going to tell you that mystery too. In the frontal lobe the neurons are responsible for thought generation. In the neuron there is electrical activity called pacemaker activity which is occurring between dendrites and the body of the neuron. The membrane of the cell is made up of atoms and atom is made up of B.B.Bs. At the level of B.B.B. say thought of 'O GOD HELP ME' is expressed. As a result programmed messages of O GOD HELP ME (code PCPs) are formed. Out of three

programmed messages, one is carried by atomic genes to highest center of the universe. It is called **THOUGHT RAY (Quantum entanglement)** which is made up of pure atomic genes and then the message goes through phenomenon called first transcription. They come out from brain directly. The other two messages are carried by photons from nucleus of atom to electrons. Here they are modulated on electrical activity of the cell called pacemaker activity. Further they are modulated on actions potentials going towards **REALIZING CENTER** situated in brain stem (RAS) and from RAS to speech area situated in the frontal area. Target B.B.Bs. of the realizing center finally realizes thought effect of O GOD HELP ME. While from speech area message goes to motor cortex again via RAS and from there to vocal cords and finally it comes out as a speech effect of O GOD HELP ME. In layman's terminology formation of the thought ray means PRAYER as shown in Fig 16

Where Does Prayer Message go ?

Prayer message goes as shown in Figure 5 to highest center of the universe via first transcription where it is realized and it is accepted, the highest center sends two messages to B.B.Bs working as higher center in cancer cell. These messages are message of inhibition of abnormal thought expression and message of activation of normal thought expression. Having received the messages, higher center stops expressing the abnormal thoughts and it starts expressing the normal thoughts. As a result, there are no more abnormal programmed messages and in place of that normal programmed messages are there. Now the messages have shifted from abnormal (5 and 6) to normal (2 and 3). This shifting of thought expression is called **ATOMIC GENETIC ENGINEERING** as shown in **Figure 16.1**

The changed messages reach to target B.B.Bs. through same route. Having received the changed messages, target B.B.Bs. stop expressing the previous programming and they start expressing the normal programming. As a result the cancer cells transmutate into normal cells. **Or diseased cell gets cured [9]** as shown in **Fig 16.1**

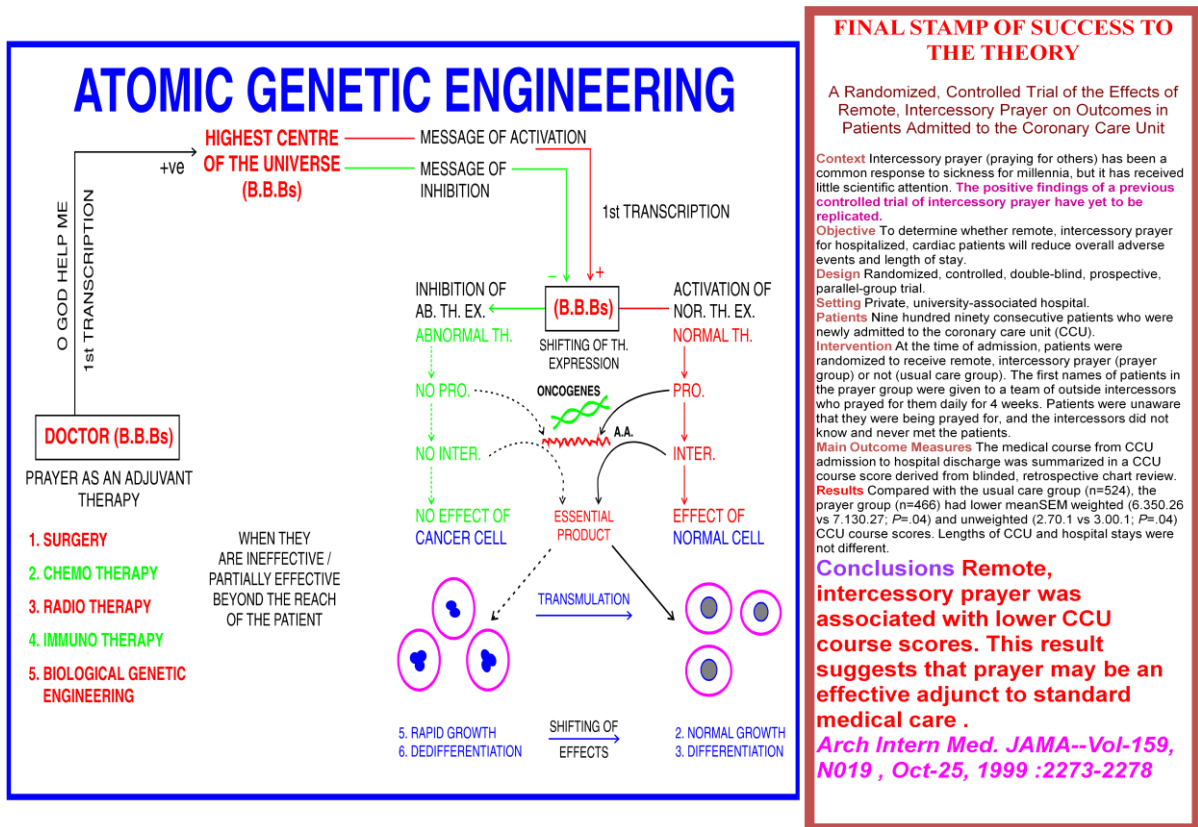

Fig. 16.1 A.G.E and Final stamp of success to New Theory[9]

1.1.3 Order of Almighty B.B.B or Modification in Article 25 of Indian Constitution Fig 15

Freedom of conscience and the right freely is Restricted as No one on this Earth Knows right knowledge as regard God except University of god (UOG). You have to profess, Practice and propagate only those thoughts which are taught by UOG only .

1.To profess, (admit) - One cannot admit wrong believes as regard GOD -

- Wrong believes -
1. God is One
 2. God has No picture depiction .
 3. Idol worship is fictitious worship at highest consciousness .

Right Believes

1. There are TWO God --or Two God Particles
- Or Two Basic Building Blocks .
2. It has Photo depiction of Male and Female Called Stayam Shivum Sundarum
- 3.They are smallest Idols of The universe and Their Idol worship persist even after destruction of the universe

2.To practice (perform worship etc) All religions do IDOL worship of Two God particles in different ways. Unless brain sees idol of two God particles during worship , worship is incomplete .

3.To propagate religion (Spread)

1. Science of prayer - Pl read Introduction 1.4 onwards
2. Know allah (tawhid and trinity) in the light of science - V.M.Das --**Know allah (tawhid and trinity) in the light of science, *International Journal of Information Research and Review Vol. 2, Issue, 05, pp. 711-718, May, 2015***
- 3 . V.M.Das , Idol Worship Means Worship of Two Basic Building Blocks (Not Set of Informations Code PcPs) , The smallest Idols Of The Universe . Fundamental Belief Of All Religions Of The World Is Same . On This Fundamental Basis Secret Of Gita , Quran and Bible is Same . Admiring Of Almighty B.B.B Idol (Allahatala- Creator of All Sets Of Informations Code PcPs) is Allaha Ho Akbar .*International Journal of Information Research and Review Vol. 04, Issue, 09, pp 4537-4557 , September (2017) [10]*

are to be spread by all religions of the Earth . Rest teaching of religions as regard God has been restricted by Almighty B.B.B

Idol Worship Means Worship of Two Basic Building Blocks (Not Set of Informations Code PcPs) , The smallest Idols Of The Universe . Fundamental Belief Of All Religions Of The World Is Same . On This Fundamental Basis Secret Of Gita , Quran and Bible is Same . Admiring Of Almighty B.B.B Idol (Allahatala- Creator of All Sets Of Informations Code PcPs) is Allaha Ho Akbar [10]

Abstract

It is being believed that Muslims do not do idol worship . It is myth . Before origin of the universe all things were in form of tachyons particles which are made up of two basic building blocks – Yang and Yin or mind and mass part of reality (Not set of informations Code PcPs – Originator of all sets of informatins Code PcPs) . To understand concept of idol worship we have to understand Basic Building Blocks (B.B.B – Mind – CCP , Code PcPs or set of informations and CP and Mass -- Fig 1). The Creator B.B.B or Almighty B.B.B has considered them as smallest idols. Hence He has made idol picture of male and female parallel to these B.B.Bs Fig 1 . The fundamental belief of all religions on which the base (Main Pillars) of all religions is stood are these two God particles and the fundamental worship is Idol worship of these two God particles . At the end of universe all sciences fundamentals (shapes , laws, and properties) would be no more but religious fundamental about God particles and their Idol worship would persist in form of “I” or “Satyam Shivum Sunderum ”

Muslim do believe that Allaha means The Creator only . After researching 99 names of Allaha in the light of science and the paper published in Journal [1] , we found that the word Allaha means – Primary God, Secondary God , tertiary God , trinity , and Tawhid. in the light of science . His portrait Fig 14 represents Tachyon particle (One yang B.B.B and many Yins B.B.B) apart from Creation and Destruction of universe under control of Almighty B.B.B . The admiring of this Almighty B.B.B is Allaha ho Akbar . Worship of Tertiary God is also Idol worship as these are made up of smallest idol of the universe Fig 15. Hence All worships are Idol worship in this universe as all are made up of smallest idol called B.B.Bs , the true fundamental belief of all religions . This belief persists even after destruction of the universe in form of “I”

Keywords -- Basic Building Blocks , Mind and Mass , Atomic genetics , Atomic transcription and Translation , Tachyons

1.14 New nomenclature (Scientific) of religious names of God [10]

**Gurur Brahma , Gurur Vishnu, Gurur Devo Maheshvaraha
Guru shakshat Para Brahma, Tasmai Shri Guruve Namah**

OR

The Creator , The Operator , and The Destroyer
The teacher that is Omniscience i.e. Having knowledge of All
We should give respect
And He is One - Almighty B.B.B

In precreation era , Almighty B.B.B had thought what would be His deeds (Karma) in created universe and thought appeared in above mentioned quotation .i.e. He would be Creator , Operator and Destroyer of the universe (Hoyle narlikar Universe) and He would impart as omniscience teacher all eternal and universal knowledge to mankind . That is how He became both Almighty God and Teacher of all knowledge of our Universe .

Simultaneously He thought His name to be popular in created universe and the name is "Allaha" . He defined Himself the word Allaha in 99 names . The attributes of the word Allah have been defined in His 99 names . The outcome of the word Allah and His attributes is – " Every Thing Is Allah, Every Book Is Quran, Then All Worships Are Allah's Worship."

The third aspect of amicable solution is secularization of God which would appear in the end of Kalyug i.e. God is out of religion . It is the science of Prayer that would redefine God's name and thus no religious names would be popular among scientists and thus God would be secularized . These names are – Primary God, Secondary God , tertiary God , trinity , and Tawhid.

For example

	Religious names of God	Secularized names of God or Scientific names	photo depiction
1	•Christian God – Jesus	Trinity (Almighty B.B.B in flesh form)	
2	•Islam – Allahatala	Secondary God (Almighty B.B.B - Yang) Creator (smallest Idol)	
3	•Hindu God – Ram	Trinity (Almighty B.B.B in flesh form)	
4	•Jainism God -- Nirakar - postulate an eternal universe	Taw hid . (one absolute God or I made up of two B.B.Bs)	
5	•Vedas – worship -Creation Sun , moon , plants , rain etc	Tertiary God (Visible units – made up of Two B.B.Bs)	
6	Hindu Goddess Durga and Her Nine Avatar	Trinity (Yin B.B.B In flesh form)	

Fig 17 Scientific names of God – Primary God , Secondary God , Tertiary God , Tawhid and Trinity

But no religion discussed Primary God (two God particles) made up of mind and mass - the eternal structure or body , as Primary God (Two God particles) is the subject of research through science , and it would be researched by science only . Thus the Geeta's secret is the same as Quran's secret and Bible's secrets . The Geeta's secret is – **I am the origin of All . Every thing evolved from Me – 10/8**

Answering Who am I ?

1. I am the origin of All . Every thing evolved from Me. (Two Basic Building Blocks -- made up of Mind (CCP, Code PcPs and CP) and Mass)

2. I am Time . a Psychological arrow of time. (inner information s , they never die -- immortal -- even after destruction of universe) -- eternal reality --- CCP, code PcPs and CP)

b Cosmological arrow of Time (Outer information s (Code PcPs) coming to us - mortal - created with origin and die after destruction of the universe -- under control of Almighty B.B.B)

c Thermodynamics Arrow of Time (Same as Cosmological arrow of Time)

3 . I am science of self knowledge . (Information s Code PcPs created by Almighty B.B.B that are read in different

sciences and mysticism -- information s are true or False)

4. I am the origin and dissolution of entire universe . (Almighty B.B.B - Yang B.B.B , working as highest center

of the universe - Prayer reaches to this B.B.B)

5. I am Life and death . (Higher thought expressions of two B.B.Bs is Life)

2.2 Defining God . God has been classified in five ways – Scientific Names .

1. Primary God --- Two basic building blocks

2. Secondary God -- Almighty B.B.B. (Yang working as Highest center of the universe - The creator B.B.B

3. Trinity (secondary God) Avatar of Almighty B.B.B (Almighty in flesh form on Earth)

4. Tertiary God - Creation (sun moon, galaxy , creatures etc (made up of primary God by thought of Almighty B.B.B)

5. Tawhid - One Absolute I -- made up of Infinite Tachyons -- made up of Two basic building blocks - symmetry phase of universe

1.15 Krishna Consciousness and Islam connection [10]

Now coming to the amicable solution of Ayodhya issue –it could be resolved by knowing in detail about “Science of Prayer “ and “ Know Allaha in the light of Science) . [2]

Order of Almighty B.B.B.(First Order of the Universe – Quantum Entanglement)

1. Those who donot want Mosque to be built , they are insulting Primary God (Two God particles) .

2. Those who donot want Idol worship of Lord Ram (Set of informations Code PcPs) in Mosque (Set of informations Code PcPs) are insulting Allaha in Trinity form as Trinity's worship (Almighty B.B.B. in flesh form) is Allaha's worship.

In such dilemma both Hindu and Muslim should equip themselves with knowledge of “ Science of Prayer “ and “ Know Allaha in the light of Science “ and they should reform wrong thoughts to right thoughts along with repent themselves and do priyashit (self reformation) . **Because wrong knowledge keeps them apart and right knowledge evokes both of them (Hindu and Muslim) to pray Almighty B.B.B under one roof .**

Krishna Consciousness and Islam connection

Lam blakhai gesu mere Ghanshyam ke –
Kafir hai wo jo kayal nahi Is-lam ke .

Fig 18 Trinity Lord Krishna or Secondary God or Allaha Ho Akbar – He showed God Form or Mind Reality

Krishna (Trinity – Allahatala as Trinity – Secondary God) Consciousness . The meaning is that who is not kayal (do not admire) of Krishna consciousness (Set of informations Code PcPs) , is Kafir (Atheist or disobedient) .

What is Islam ? Kafir hai wo jo kayal nahi islam ke . Lam blakhai gesu mere Ghanshyam ke - Kafir hai wo jo kayal nahi Is-lam ke . The meaning is that who is not kayal (do not admire) of Krishna consciousness, is Kafir (Atheist or disobedient) .The meaning that Krishna told in Quran (Gita) That - I am Islam . I am Quran and I am Allahatala .(Set of informations Code PcPs)

read 10/ 8

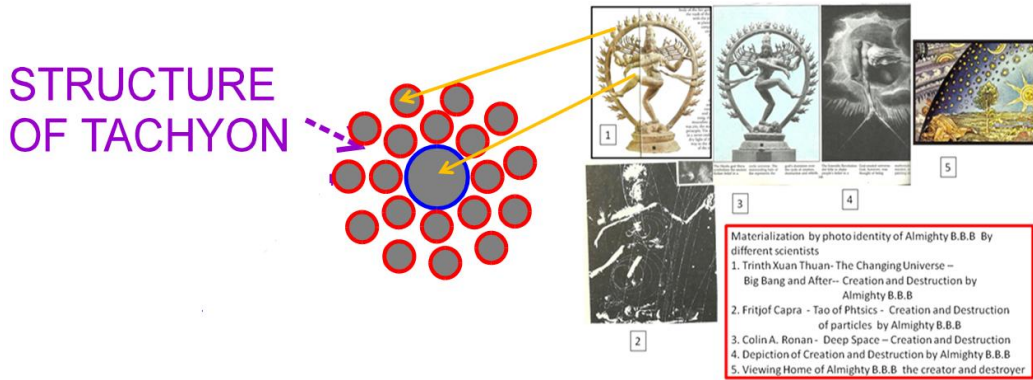

Translation

I am the original generating cause of all causes, everything emanates from Me; comprehending this the spiritually intelligent endowed with devotional sentiments become devoted unto Me.

OR

“ Every Thing Is Allah, Every Book Is Quran, Then All Worships Are Allah's Worship.”[1]

On this fundamental basis (Fig 1) by photo depiction (Set of informations Code PcPs) the Ayodhya issue is solved below .

One Yang , Blue B.B.B and Many Yins , Flames Red B.B.B
Muslims worship smallest Idol of the Universe

Allaha Ho Akbar – Almighty B.B.B – Smallest Idol worship

Fig 20 The Admiring of Almighty B.B.B (Allahatala) the Creator of the universe is “Allaha Ho Akbar”

1.17 Islam and Worship of Tertiary God (Set of informations Code PcPs or Allaha) is also Idol worship[10]

Fig 21 - Worship of Tertiary God (Set of informations Code PcPs or Allaha) is also Idol worship (as these are made up of smallest idols –Two God Particles.

1.18 What eye sees is different (illusion) than what brain sees (truth) [10]

What eye sees is different (illusion) than what brain sees (truth) . In science hypothesis is made and that hypothesis is confirmed by observation . Two God particles hypothesis is based on observation that Super unification is not proven yet . When photo depiction of two God particles is made by brain , it was same as made by Almighty B.B.B thousands of year back by clue pictures given by Hindu spiritualism (Fig 1) . what Idol worship (Eyes see - sculpture – statue) is defined before the research of Two God particles is illusion (Eyes see - sculpture – statue , set of informations Code PcPs) as the real idol worship is worship of two God particles which constitute big Idols (Eyes see - sculpture – statue , set of informations Code PcPs) (Brain sees-Two God Particles – Not set of informations Code PcPs) . On this basis the all created units (sun , moon

fire , rain) in created universe are also worshiped as idol worship as they are made up of these two God particles , Though they do not look as idol . Same is true for idols of trinity . (Lord Jesus , Lord Ram etc) as idol concept started with idol of these trinities since two God particles idol concept was not written any where in books before their search by me .by science . Big Idols worship would end with end of Universe . But Idol worship of B.B.Bs (Not set of informations Code PcPs or originator of different sets of informations Code PcPs) would persist even after destruction of universe .

Fig 22 Eyes see different (illusion) than what the brain sees (Truth)

universe are also worshiped as idol worship as they are made up of these two God particles (Not Set of informations Code PcPs) , Though they donot look as idol . Same is true for idol of trinity (Set of informations Code PcPs -- Lord Jesus , Lord Ram etc)

1.19 Why Center (Parliament India) Could Not Make Law Purely For Ram Temple ? [12]

Abstract

Parliament , Supreme Court and President of India are abide by not only Constitution of India but also they are abide by Almighty Court Of Justice . ACJ is secularized (out of religion) body and it is governed by Almighty B.B.B , The Creator of Universe and it runs University of God at 1/139, Talaya Lane , Fatehgarh , Farrukhabad , U.P. India . Since 2014 ACJ is ruling India and Globe and not only Constitution of India has been modified rather all global constitutions are under ACJ . Hence no court , parliament or President of any country could make any law without permission of ACJ. This includes uplift on ban on idol worship in all Islamic countries . Namaz is worship of Tachyon Particle which are made up of Two God particles . Its reconstruction is Lord Natraz on Earth . SC does not know that Mosque is now essential part of Namaz as Lord Natraj is Allah Ho Akbar and His Idol would be put in All Mosques of world and Namaz would be offered before Lord Natraj as it is reconstruction of tachyon particle being worshipped by all Muslims. Hence 1994 case of Ismail Farrukhi where Mosque is not considered an essential part is to be modified now .

1.20 About Almighty B.B.B or Allah ho Akbar or Lord Natraj

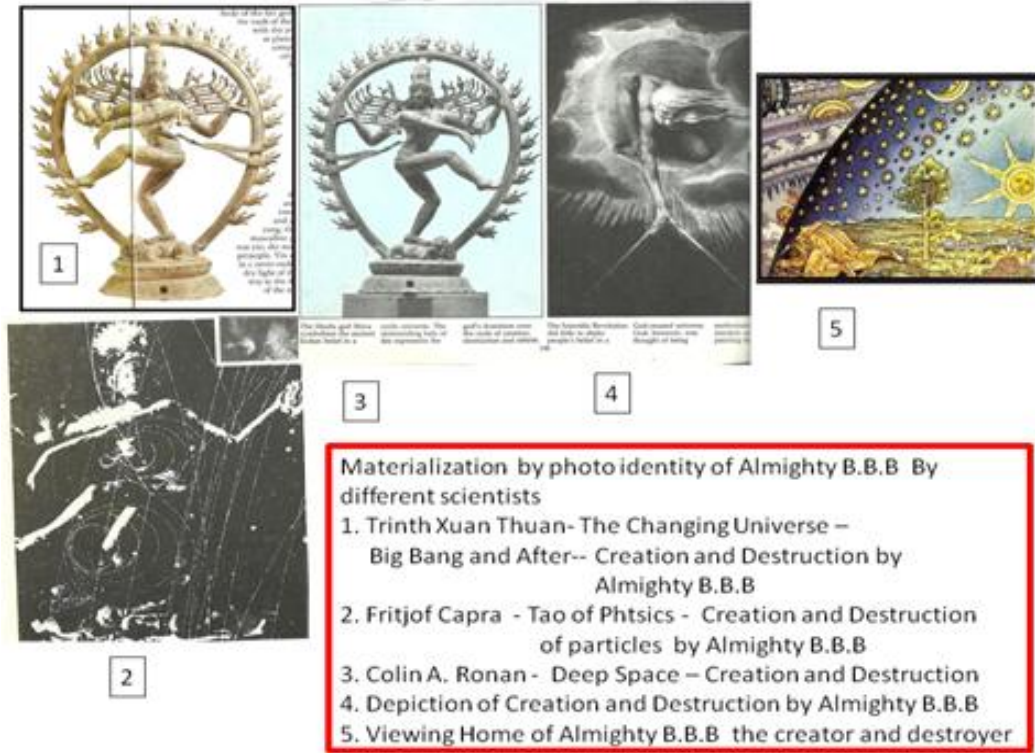

Fig 23 About Almighty B.B.B or Allah ho Akbar or Lord Natraj

Amicable solution starts with research that Namaz is Idol worship of Tachyon particle whose reconstruction and photo depiction is Lord Natraj who is Allah Ho Akbar. If Indian Muslims respects Namaz as Idol worship then they have to put reconstruction in their Mosque and offer Namaz. Failing which would be considered insult and abuse to Almighty God or Allaha Ho Akbar. By order ACJ.

1.21 What is Religion "I" (Fig 24) [12]

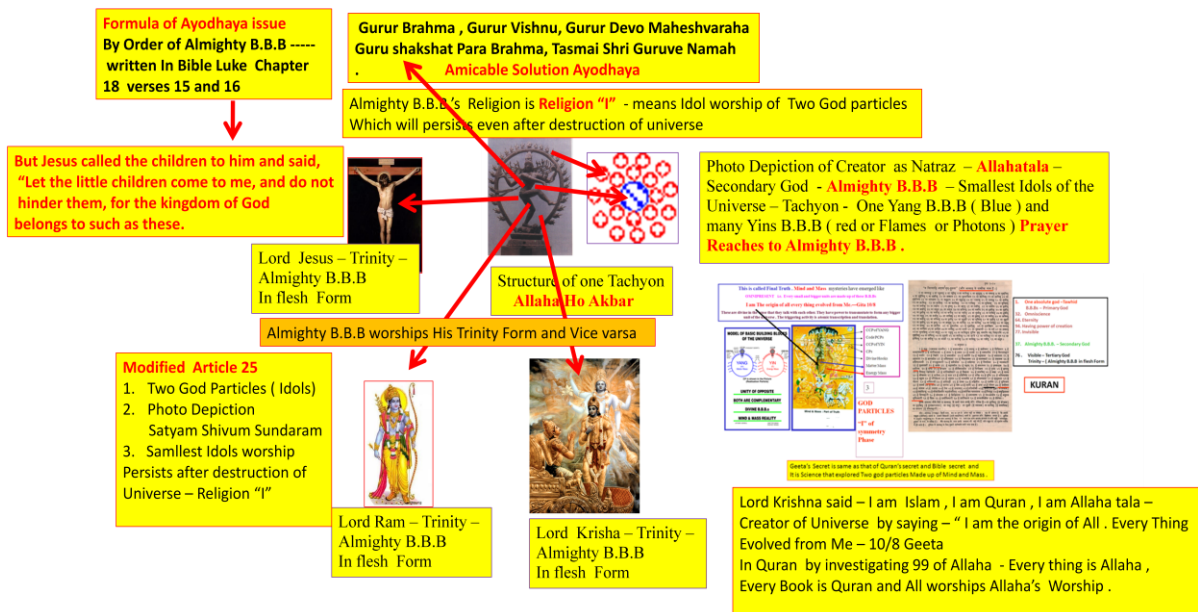

Fig 24 Religion "I" – Worship of Idols of Two God particles called “ Satyam Shivum Sundarum ”

We all belong to One Spirituality or one Religion i.e. "I" but with different Rituals and worships calling it Unification of Spirituality or Religions . Hence teaching regarding God in different religions (Hindu

, Islam and Christianity etc realizations) are illusion. They donot teach about Two God Particles – The Real eternal God Particles . Religion "I" means Worship of IDOL of Two God Particles . It Persists Even After Destruction Of Universe . I am the origin of All . Every thing evolved from Me – 10/8 . Say With Proud "I" am Idol of TWO God Particles or Satyam Shivum Sundarum. All religions do IDOL worship of Two God particles in different ways. Unless brain sees idol of two God particles during worship , worship is incomplete (Fig 24) . The third aspect of amicable solution is **secularization of God** which would appear in the end of Kalyug i.e. God is out of religion . It is the science of Prayer that would redefine God's name and thus no religious names would be popular among scientists and thus God would be secularized . These names are – Primary God, Secondary God , tertiary God , trinity , and Tawhid.

Structure

2.1 EKO AHAM BAHUSHYAMI – SANATANI KNOWLEDGE

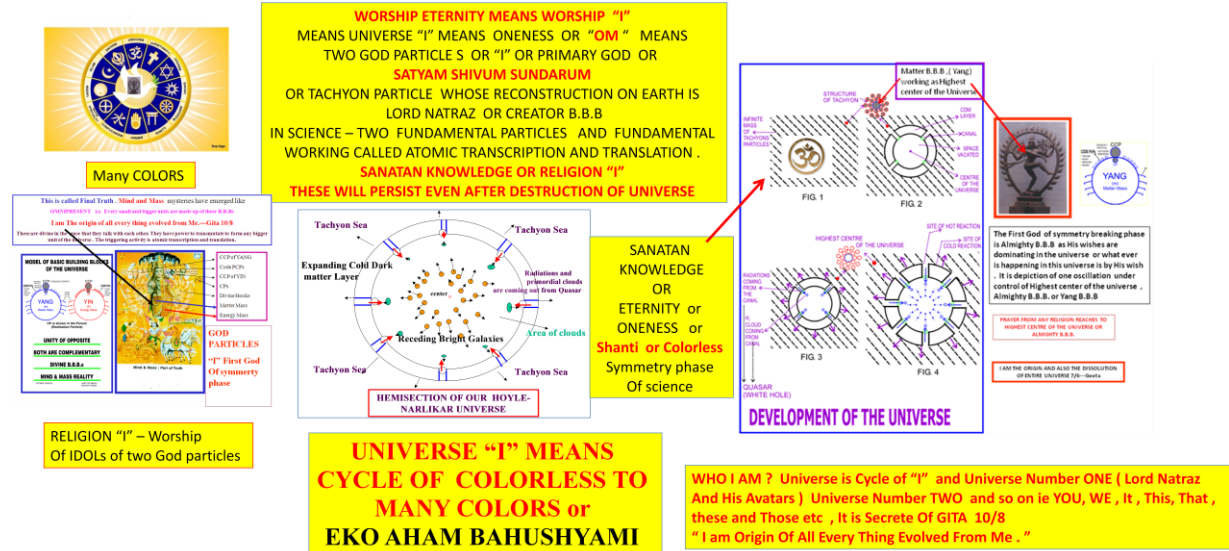

Fig 25 - Universe is Cycle of colorless (sanatan knowledge) and many colors by Creator B.B.B Lord Natraz or Allah Ho Akbar

OM -- SHANTI – OM shows about Dark Matter of Universe and Quasar . Shanti means symmetry phase of universe.

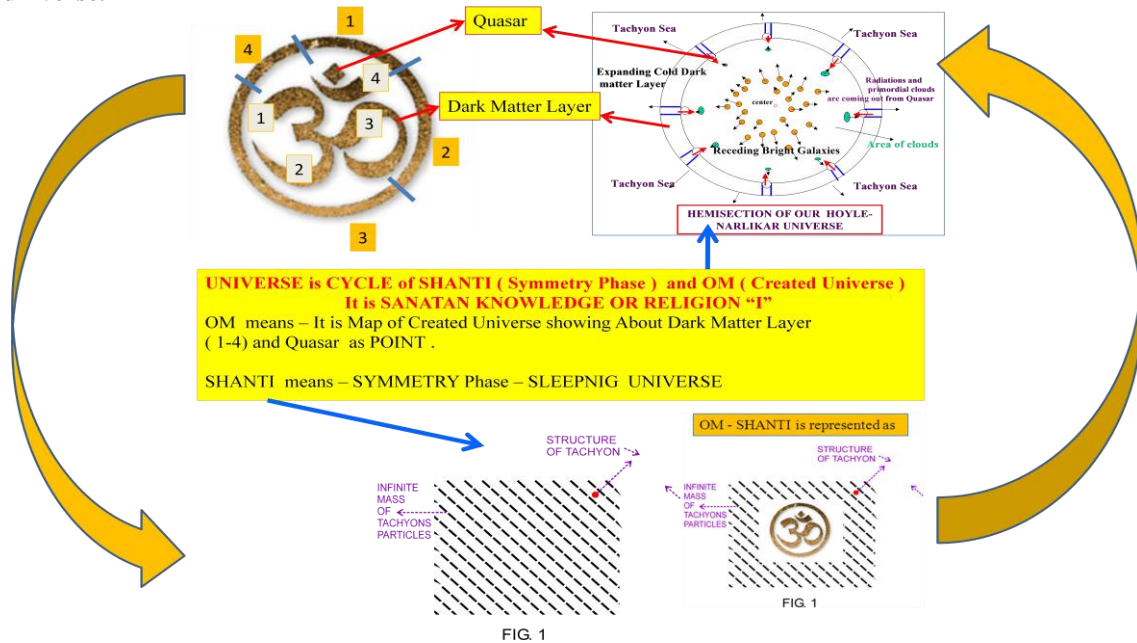

Fig26 Universe is cycle of Shanti and OM and Shanti

2.2 Unless One Knows Science of Prayer , One is Unfit to run Country.

Case :- PUBLIC INTEREST LITIGATION (PIL) No. - 25404 of 2014

Petitioner :- Dr. Vijay Mohan Das

Respondent :- Union Of India Thru' Secy. & 6 Others

Counsel for Petitioner :- Dr. V.M. Das (In Person)

Counsel for Respondent :- C.S.C.,A.S.G.I./2014/9088,S.K.

Varma,S.P. Sharma

Hon'ble Dr. Dhananjaya Yeshwant Chandrachud,Chief Justice

Hon'ble Dilip Gupta,J.

In a petition which is filed in the public interest, the petitioner seeks a mandamus that "Science of Prayer" should be taught in all schools and colleges in the State as well as in other parts of the country so that our future generation should "know Almighty God".

What should be the curriculum of the schools and colleges is an academic matter on which the High Court is not competent to issue a direction. In any event, we see no public interest in the matter forentertaining the petition.

The petition is, accordingly, dismissed. There shall be no order as to costs.

Order Date :- 5.5.2014

RK (Dilip Gupta,J.) (Dr.D.Y.Chandrachud,C.J.)

Fig 27 Unless One Knows Science of Prayer , One is Unfit to run Country.

2.3 Grievances Of University of God

Chief Justice

To

Hon'ble Dr. Dhananjaya Yeshwant Chandrachud,Chief Justice

Hon'ble Dilip Gupta,J.

You did not hear a single word as regard SCIENCE OF PRAYER and you dismissed the PIL. I want to ask you sir , 2 or 3 billions do prayer every day all over world . my question is –

1. Are They fools ? Do they not require to know about Almighty God and science of prayer ? 12th standard student has enough knowledge to understand science of prayer. This could help to make himself strong and Almighty God fearing through out his life. This knowledge could prevent him to get indulge in bad activities in all the sphere of life in future .

2. You could have jury in form of different scientists to decide the level of work that has been done in country , if you are really incompetent to decide it.
3. It clearly shows that you are Atheist that is why you did not see Public interest in the petition. You are answerable for this in Almighty's Court of justice .
4. Corruption is deeply rooted in country. This is an effort to meet out corruption etc. What was wrong if you could have at least heard it for few minutes . But you did not do your job properly. This world is created by Almighty God and people are indulging in spoiling this wonderful world .
5. I did not get justice in your court .
6. Please let me know who is competent ?-- Parliament or supreme court. Where should I raise my voice?
7. What should be the curriculum of the schools and colleges is an academic matter--- As regard science of prayer , first ,court should see and pass it other wise other religious persons could come to you to stop its teaching in schools and colleges or they could go to different political parties who always need vote of minorities and then it would be lingered as Ajodhya issue is pending in Supreme court and idol of Almighty God RAM (avatar of Almighty God) is seeking shelter etc for His magnificence . If devotees know both Hindu and Muslim that He was Avatar of Almighty God through science of prayer, there would have been a solution of Ajodhya issue in your court.
8. I have made an effort as regard secularization (To free God from the control of religion) of Almighty God through science of prayer. Almighty God is not a religious property.
9. My work is supported by observation also . Please see how prayer helps cardiac patient .pl see Fig 16.1
10. In the last but not the least , every person require help of Almighty God in his life time . And Almighty God helps only through prayer . This knowledge could help to strengthen the believe of Almighty God to young generation . You are not exception to it.

II. Conclusion

Hitherto , Idol worship in Islam is not that idol worship that all religions do i.e. idol worship of God particles which is the real idol worship and it will persist even after destruction of the universe . On this ground Islam does idol worship at the time of Namaz . Now the worship of other created things(Set of informations Code PcPs) that are made up of these God particles is also Idol worship because as though they are not idol (say sun , moon , rains , fire etc) but since they are made of same God particle hence Almighty B.B.B also calls it Idol worship . Since every thing is Allaha (B.B.Bs) , hence all worships are (idol worship – two B.B.Bs) worship of Allaha

Muslim do believe that Allaha means The Creator only . After researching 99 names of Allaha in the light of science and the paper published in Journal [1] , we found that Allaha means (scientific names) – Primary God, Secondary God , tertiary God , trinity , and Tawhid. in the light of science . This portrait represents Tachyon particle (Fig 14 - One yang B.B.B and many Yins B.B.B) apart from Creation and Destruction of universe under control of Almighty B.B.B (Allahatala) . The admiring of this Almighty B.B.B is Allha ho Akbar . Hence All worships are Idol worship in this universe as all are made up of smallest idol called B.B.Bs , the true fundamental belief of all religions . This belief persists even after destruction of the universe in form of "I"

What eye sees is different (illusion) than what brain sees (truth) . In science hypothesis is made and that hypothesis is confirmed by observation . Two God particles hypothesis is based on observation that Superunification is not proven yet . When photo depiction of two God particles is made by brain , it were same as made by Almighty B.B.B thousands of year back by clue pictures given by Hindu spiritualism (Fig 1) . what Idol worship (Set of informations Code PcPs or sculpture – statue) is defined before the research of Two God particles is illusion as the real idol worship is worship of two God particles (Not Set of informations Code PcPs-- Brain sees) . On this basis the all created units (sun , moon fire , rain - Set of informations Code PcPs) in created
